*AI Can't Write, But You Can* Tom Albrighton, 2024-10-01 Everyone's talking about AI and using automated writing tools like ChatGPT But what's really going on when we ask a machine to write for us And should we be using these tools at all AI Can't Write But You Can takes a deep dive into the implications of ChatGPT and makes a passionate case for the value of human writing in the age of AI This concise and hard hitting book covers How ChatGPT works what it can do and the limits to its capability The many benefits of writing your own text and how ChatGPT undermines them Why only you can write from your unique experience and view of the world How ChatGPT hallucinates and makes mistakes What ChatGPT

means for art learning and the workplace Why ChatGPT is a parasite on human creativity Why questioning ChatGPT doesn't make you a Luddite Twelve actionable tips for making your writing stand out from content produced with AI If you've ever wondered what's going on behind the screen with ChatGPT or questioned the morality of automated writing tools AI Can't Write But You Can is for you Written by veteran writer and editor Tom Albrighton author of How to Write Clearly and Copywriting Made Simple and original co-founder of ProCopywriters

**Corporate Control** Nora Loreto, 2025-05-06 How deep does corporate dominance go in Canada The second book in Nora Loreto's landmark series dives into the corporate web spun around Canada's economy society and politics The joke goes that Canada is three mining companies in a trench coat Or three oil companies in a trench coat Or three telecom companies in a trench coat It's funny because it's almost true a handful of corporations exert a disproportionate amount of power over Canadian democracy Corporate profits are at a record high and the divide between the rich and the poor has never been wider Canadians are struggling with affordability the housing crisis and wages that don't cover basic needs The combination of these forces is a pressure cooker that politicians have promised to tackle except they can't they are too restricted by corporate power to confront the roots of the problems Canadians face The first book in the Canada in Decline series examines the rise and fall of Canada's social safety net In this next volume Loreto goes further identifying why Canadian politicians seem impotent in the face of corporate Canada

**Time Blocks** Bianca Harrington, AI, 2025-03-04 Time Blocks presents a practical guide to mastering time management and boosting productivity using time blocking techniques It tackles the feeling of being overwhelmed by providing strategies for reclaiming control of your schedule The book highlights how traditional to-do lists often fail due to a lack of structure and failure to account for cognitive demands emphasizing how time blocking enhances focus and reduces procrastination Did you know that strategic scheduling can lead to a greater sense of accomplishment Or that studies show that scheduled breaks actually enhance our performance The book begins by exploring the evolution of time management and the cognitive science behind focus before transitioning into a step-by-step guide to creating personalized time blocking schedules It emphasizes identifying priorities estimating task durations and allocating time for work personal activities and buffer zones What sets this book apart is its holistic approach integrating project management principles psychology and wellness practices It addresses common challenges like procrastination and distractions making it valuable for anyone seeking a more balanced and efficient life
