**The Disputed Mosque** Sushil Srivastava,1991      **Supreme Court Judgement On Ayodhya Issue** S. Padmavathi, D.G. Hari Prasath,2020-01-03 Ayodhya tussle For Hindus Ram Janma Bhoomi is a Place of Veneration and for Muslims Babri Masjid is a Place of Ritual Prostration The Babri Masjid Mosque of Babur the Tughlaq style mosque was built in 1528 by General Mir Baqi on the orders of Zahir ud din Muhammad Babur the founder and first emperor of the Mughal dynasty in the Indian subcontinent The building is facile with Islamic architectural elements but devoid of minarets Call Towers for prayers etc The Babri Masjid was neither a mausoleum nor a cenotaph The placing of Ram Lalla Idol on December 22 1949 inside the Babri Masjid Central Dome became the aggravating point of the title dispute The blood curdling Ram Janma Bhoomi Babri Masjid dispute is over a tiny area of 2 77 acres of land out of the 3 287 million square kilometre vast tract of India Solutions from the erstwhile British rulers and Indian Prime Ministers found no results At last it was the reign of the 14th Prime Minister of India Mr Narendra Damodardas Modi that witnessed the lawful solution amicable both for the Hindus and for the Muslims Now the golden era of peace and prosperity brotherhood and tolerance has blossomed in the Indian soil The Basic Structure Justice Liberty Equality and Fraternity enshrined in the Preamble of the Indian Constitution has been reaffirmed by this landmark judgment We can assert that this book takes you to the inroads of the cementing facts and figures of the Ayodhya Dispute unravelled by this unanimous historical judgment of the Supreme Court of India      **The Ayodhya Temple-mosque Dispute** Harsh Narain,1993      **Contested Holy Places in Israel-Palestine** Yitzhak Reiter,2017-04-07 Religious leaders and political actors often use holy places to rally citizens to protect or liberate national territory as hallowed land The Holy Land Palestine or Eretz Israel is the most obvious case of the process of religionizing ethnic national and territorial conflicts This book analyzes fourteen case studies of conflicts over holy sites in the Holy Land each representing a particular archetype of conflict It seeks to understand the many facets of disputes and the triggers for the outbreak of violence in and around such sites It also analyses the effectiveness of the conflict mitigation and resolution tools used for dealing with such disputes      *Babri-Masjid Ramjanambhoomi Controversy* Asghar Ali Engineer,1990      *Ayodhya Revisited* Kunal Kishore,2016-01-01 This work of monumental research is a treatise on Ayodhy with utmost authenticity and absolute accuracy Based on original sources and scientific investigation it propounds a new thesis which demolishes many popular perceptions It exonerates the intrepid warrior Babur from the charge of demolishing a temple on the birthplace of R ma and constructing the mosque which has been a source of contention and dissension for long It further shows how inscriptions in the mosque were factitious and Mir Baqi of inscriptions is a fictitious person different from Baqi Tashkindi Shegawal of the Baburnama The book produces incontrovertible evidence which indubitably proves that there existed a R ma temple on the R majanmabhumi The exact birthplace of R ma was earmarked by a rectangular Bedi measuring 18 9 in length and 15 in width and was located in the inner portion of the disputed shrine The demolition of the temple and the construction

of the mosque did not take place in 1528 A D but in c 1660 A D when Fedai Khan was the Governor of Aurangzeb at Ayodhya It is a historical fact that until the British takeover of Awadh administration in 1858 both the Hindus and Muslims used to perform puja and offer Namaz respectively inside it All Mughal Emperors from Babur to Shah Jahan were magnanimous and liberal rulers and the Bair g s of Ayodhya enjoyed patronage of the first four Nawabs of Awadh However during the long rule of Aurangzeb the country was engulfed in the fire of fanaticism It has been shown in this book how an absolutely unfounded rumour in 1855 A D that the Hanumangarhi temple was constructed on the site of a mosque created cleavage between the two communities and the resultant festering wounds have not healed despite best efforts by saner elements of both the communities The book exposes many eminent historians hypocrisy and their lack of objectivity in writing history and it may be said that their presentation of contrived history on Ayodhya has caused irreparable damage to the cause of harmonizing communal relations in the country In contrast this text earnestly tries to take away the toxin from the polluted body of Indian politics For the first time a number of unexplored documents have been incorporated in this book as evidence and it may be proclaimed with pride that this book contains much more information on Ayodhya than available hitherto Justice G B Patnaik a former Chief Justice of India after going through the manuscript has endorsed the author s thesis in his Foreword It is hoped that the book will put a quietus to the long standing dispute

**Unpunished Conspiracy** Ranjana Agnihotri, This book attempts to unfold the evidence facts and contemporaneous records that were not represented prior to the start of court proceedings in Ram Janambhoomi case Unfortunately several historical facts were subjected to oblivion on account of non surviving witnesses at the time of the trial This book reveals evidence against the most heinous crimes committed upon the Hindu devotees in Ayodhya while they were performing their rituals peacefully On 2nd November 1990 large numbers of innocent devotees were killed due to merciless firing by the police force That the crimes have gone unpunished remain a mystery to the author The book seeks justice for the innocent martyrs This compilation does not aim to evoke a fresh controversy Rather an attempt has been made to bring out in public the truth behind conspiracies that were deliberately used to cover up facts and evidence The book is a well researched piece of work
