Distant Valor C. X. Moreau, 2017-04-15 Out of the crucible of war has come a long list of best selling award winning and long remembered novels The Red Badge of Courage All Quiet on the Western Front The Caine Mutiny Fields of Fire and The Thirteenth Valley But none so far has ever captured the power and drama of the United States Marine Corps s ill fated mission to end the war for Lebanon which ended in the barracks bombing that killed almost three hundred Marines For Sergeant David Griffin a peace time Marine Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War For Corporal Steven Downs Beirut was a struggle to separate the civilian from the soldier his distrust of the politicians decisions from the military mission For all of the Marines serving in Lebanon it was another war in a foreign country where the enemy could be anywhere or anyone Faced with Griffin s court martial for engaging the enemy against orders these two young men find themselves questioning their faith in themselves their commanders and eventually that which above all else they must have faith in the Corps With the insight that only a Marine Corps veteran could have C X Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of Semper Paratus Affecting A haunting slice of military life that unsparingly catalogues the risks rewards pain and joys of casting one s lot with warriors Kirkus Reviews Outstanding A classic in yet above and beyond the war genre John M Del Vecchio The New York Times best selling author of The Thirteenth Valley He shows the reader what it really means to be a Marine W E B Griffin The New York Times best selling author of The Corps and The Brotherhood of War series

Promise of Glory C. X. Moreau, 2017-11-11 Moreau s research is impeccable and smoothly incorporated and his descriptions of battle scenes are vivid Publishers Weekly Moreau displays an astute grasp of military history The author invests the cast of authentic historical characters with a wide range of strengths and failings infusing this gripping narrative with a dramatic human element resulting in a passionate retelling of a legendary battle Booklist August 1862 Federal armies threaten Richmond the Confederate capital From the east the Army of the Potomac commanded by General George McClellan has edged closer to the city until the citizens of Richmond are able to listen to their church bells and the report of cannon with equal clarity Late in the summer President Jefferson Davis gives command of the Rebel army to the untried Robert Edward Lee It is a momentous decision In a series of battles fought virtually in sight of the city Lee defeats the Army of the Potomac then turns and drives the Union Army back to Washington DC Now in the first week of September the days are long and hot Roads muddied by summer rains dry There is time yet for one last campaign a battle that could bring about the end of the war and ensure a southern nation This is the story of that campaign This is the story of the Battle of Antietam the bloodiest day of the Civil War It is refreshing to read a historical novel that is both faithful to historical fact and yet

imaginative enough to make the often dry bones of fact come alive C X Moreau succeeds in that endeavor by portraying the events of the Battle of Antietam which produced America's single most bloody day through the eyes of the generals who planned and fought the battle As only a veteran can do Moreau paints a convincing portrayal of the ebb and flow of battle providing his characters with credible thought processes as that terrible day proceeded The terror dismay and savage emotion that one would expect to feel on a great battlefield show up in the fictionalized account of the actions of Lee Longstreet Stonewall Jackson Burnside Hooker and McClellan Those who enjoy good historical fiction will find this an entertaining book The Chattanooga Times What distinguishes this novel from a straight historical account is Moreau's telling of the story through the eyes and emotions of an array of officers and soldiers their detailed words and thoughts The inner conversations and quotes spring from the author's close reading of the record and in obviously large measure from his imagination His intuition rings true The Virginian Pilot **Historical Sketches of O'Connell and His Friends** Thomas D'Arcy McGee, 1854 **Civil War Book Review**, 1999 Words on Cassette, 2002 R R Bowker Publishing, 2002 Words on Cassette, 1999 Bowker Editorial Staff, Staff Bowker R R, Bowker, 1999-02 Forthcoming Books Rose Army, 1997-12 *The Publishers Weekly*, 1997 **Charles Stanley Life Principles** Charles F.
