

A surreal landscape painting. In the foreground, a dark, rocky terrain is scattered with several dead, bleached tree branches. A bright, glowing orange and yellow lava flow snakes across the ground from the base of a volcano. The volcano itself is a dark, conical shape with a jagged peak. From the peak, a massive, billowing plume of blue and white smoke or ash rises into the sky. The sky is a deep, vibrant red, speckled with small white stars, suggesting a night scene or a distant, fantastical world. The overall mood is dramatic and otherworldly.
