

# Divine Freedom and the Doctrine of the Immanent Trinity

PAUL D. MOLNAR

*'Masterful ... perhaps the most important work  
on the Trinity to appear in the last 20 years.'*

**George Hunsinger**, Princeton Theological Seminary

# Divine Freedom And The Doctrine Of The Immanent Trinity

**Fred R. Sanders, Fred Sanders**

## **Divine Freedom And The Doctrine Of The Immanent Trinity:**

**Divine Freedom and the Doctrine of the Immanent Trinity** Paul D. Molnar, 2002 This is an essay in Christian dogmatics of a high order learned intellectually powerful and spiritually engaged it deserves to be widely read and discussed John Webster Lady Margaret Professor of Divinity University of Oxford

**Divine Freedom and the Doctrine of the Immanent Trinity** Paul D. Molnar, 2002 In this book Paul Molnar seeks to set out a contemporary doctrine of the immanent Trinity and to address the issue of how we can know God according to his true nature rather than create him in our own image It is Paul Molnar's contention that any theology that starts with self transcendence and not explicitly with God's self revelation through his Word will result in a flawed perception of both divine and human freedom He holds that while God is and remains incomprehensible even in his revelation he can be known as a very definite object in faith and by grace A sound doctrine of the immanent Trinity recognizes the freedom of God as the basis of our own human freedom and upholds God's distinction from his creation thus avoiding the theological pitfalls of agnosticism monism and dualism Molnar sets out to place the doctrine of the immanent Trinity firmly back on the agenda of the Christian doctrine of God and does so to considerable effect In conversation not only with Barth but with many contemporary proposals in trinitarian theology he makes a persuasive case for the centrality of the doctrine and against the perils that attend its neglect This is an essay in Christian dogmatics of a high order learned intellectually powerful and spiritually engaged it deserves to be widely read and discussed John Webster Lady Margaret Professor of Divinity University of Oxford Bloomsbury Publishing

*Faith, Freedom and the Spirit* Paul D. Molnar, 2015-01-28 Paul Molnar adds to his previous work on the immanent Trinity to consider divine and human interaction in faith and knowledge within history He begins with the role of faith in knowing God through his incarnate Word and thus through the Holy Spirit seeing divine freedom as the basis for true human freedom

**The Image of the Immanent Trinity** Fred R. Sanders, Fred Sanders, 2005 If the economic Trinity is the immanent Trinity as Karl Rahner said then what difference does it make for how we read the Bible This book takes up the discussion that has dominated the last several decades of Trinitarian theology that of Rahner's Rule and brings it into dialogue with the longer history of the doctrine particularly with the history of interpretation of scripture The history of Trinitarianism is the history of complex interpretive moves a long conversation in which the Christian church has sought to learn how to ask the right questions of scripture Surveying recent theological projects and learning from their successes and failures *The Image of the Immanent Trinity* argues that the eternally perfect fellowship of Father Son and Spirit is truly present for our salvation in Christ who as the image of the invisible God secures God's presence in the economy of salvation as the image of the immanent Trinity

*The Renewal of Trinitarian Theology* Roderick T. Leupp, 2008-10-01 Roderick Leupp explores the terrain of contemporary trinitarian theology While his approach is thematic he introduces readers to the essential elements of the important trinitarian theologians of the past half century

**Freedom and Flourishing** Robert Leigh, 2017-11-09

Freedom is vital both to Karl Barth's theology and to modern religion politics and culture Leigh describes how Barth's lifelong fascination by freedom culminated in a fresh daring engagement with it in his last completed book volume IV 3 of the massive Church Dogmatics which is probably the most important work of Christian theology in the twentieth century That volume builds on Barth's earlier work but also goes beyond it in ways that have not yet been appreciated Leigh shows how this mature theology of Barth not only responds profoundly to key questions about freedom both in philosophy and theology but also opens up a rich habitable understanding of Jesus Christ and of life in relationship with him that is prophetic for the twenty first century This involves a dynamic integration of knowing with being being with action truth with witness individual with community and divine initiative with human flourishing At the heart of this life with God is participation in the asymmetrical yet utterly reciprocal interaction between human beings and the God who loves them in freedom Leigh succeeds both in describing this participation convincingly and in demonstrating its provocative attractiveness *Essential Trinitarianism* Shelli M. Poe, 2017-10-19 Many scholars believe that Friedrich Schleiermacher relegates the doctrine of the Trinity to an appendix at the end of his magnum opus The Christian Faith 1830 31 his alleged disregard for the Trinity is the supposed death knell for serious consideration of his work within the history of Christian thought This volume argues that Schleiermacher not only calls for the doctrine's revitalization but also makes it the centrepiece of Protestant Christianity Following Schleiermacher's own thought experiment Poe presents his doctrine of God in reverse order of its original presentation Her examination centres on the Trinity treating it as the keystone of the entire work while analysing the divine attributes love and wisdom justice and holiness eternity omniscience omnipotence and omnipresence When viewed from the standpoint of the conclusion the Trinitarian shape of Schleiermacher's theology comes to the fore What emerges is a middle way between merely economic Trinitarianism and a full fledged development of immanent Trinitarianism examining divine personhood and the union of the divine with humanity The central thesis of this work runs boldly counter to the prevailing academic account of Schleiermacher's doctrine of the Trinity and offers an innovative and constructive reading Readers will be privy to a fresh look at Schleiermacher's doctrine of God and its importance for contemporary theology God, Freedom, and the Body of Christ Alexander J. D. Irving, 2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit This is developed through a dialogical or covenantal frame that has its focal point in Christ in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized The Church as the body of Christ participates in the mediatorial work of Jesus Christ Each chapter explores a different element of this participatory ecclesiology This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center This foundation provides the basis upon which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which

participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures

**Personal Being** Andrew T. Grosso, 2007 *Personal Being* Polanyi Ontology and Christian Theology contributes to Michael Polanyi studies to the conversation between philosophy and theology and to the contemporary renaissance in trinitarian theology The author begins by elaborating the ontology implied by Polanyi's theory of personal knowledge and argues that personhood is a fundamental category for understanding reality He then explores the reception of Polanyi's philosophy in theological studies and outlines a method responsive to interdisciplinary dialogue Finally he employs a Polanyian model of personhood to examine the doctrine of the Trinity and suggests that this effort anticipates the development of a personalistic Christian cosmology

**Great Is the Lord** Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition Great Is the Lord sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God

**Theological Studies** William James McGarry, John Courtney Murray, 2004 *Aquinas on Doctrine*: Thomas Weinandy, Daniel A. Keating, John Yocum, 2004-02 This book provides a critical study of the main Christian doctrines as understood and explained by Thomas Aquinas The whole Thomistic revival of the last century focused almost exclusively on Aquinas as the Christian philosopher Thus books and articles developed his understanding of being his epistemology natural theology etc However little has been done even to this day by way of examining Aquinas teaching on the major Christian doctrines This book of essays by an international team of recognised scholars will help fill this gap Such a book will be indispensable in every theological library

**Religious and Theological Abstracts**, 2006

**Toronto Journal of Theology**, 2006

**Apologetic for Filioque in Medieval Theology** Dennis Ngien, 2005 This study examines the defence of the filioque clause by four medieval theologians in the Catholic Church and seeks to show why it mattered so much to them The book opens with a history of the filioque to provide the essential background Ngien then carefully sets each theologian's rational defence within the broader context making this book much more than a discussion of the one contentious clause but also a general introduction to medieval conceptions of the Trinity

**BOOK JACKET**

**Reformed Theology** Michael Allen, 2010-09-02 Introduces Reformed theology by surveying the doctrinal concerns that have shaped its historical development

**Engaging with Barth** David Gibson, Daniel Strange, 2009-03 This volume aims to engage with Karl Barth's questions and answers on a range of topics vital to Christian

theology Specifically whether by going beyond behind or against Barth the chapters presented here attempt to provide a contemporary orientation to certain aspects of Barth s theology that can be deemed problematic from the standpoint of historic confessional evangelicalism Why engage with Barth And why the particular approach of this book The answer to the first question is that Barth s significance as arguably the greatest theologian of the twentieth century increasingly being recognized in an ongoing renaissance of international Barth scholarship means that Barth provides both opportunity and challenge for evangelicalism There is renewed interest in the question of how evangelicals should or should not appropriate Barth Given the sheer diversity within worldwide evangelicalism a consensus is unlikely to be reached Be that as it may in a range of areas evangelical theology stands to gain from careful and critical listening to what Barth has to say

**History of the Development of the Doctrine of the Person of Christ** Isaak August Dorner,1878      *Pro Ecclesia* ,2004      **The Journal of Markets & Morality** ,2005

## Divine Freedom And The Doctrine Of The Immanent Trinity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Divine Freedom And The Doctrine Of The Immanent Trinity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Divine Freedom And The Doctrine Of The Immanent Trinity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Divine

Freedom And The Doctrine Of The Immanent Trinity free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Divine Freedom And The Doctrine Of The Immanent Trinity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Divine Freedom And The Doctrine Of The Immanent Trinity any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Divine Freedom And The Doctrine Of The Immanent Trinity Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Divine Freedom And The Doctrine Of The Immanent Trinity is one of the best book in our library for free trial. We provide copy of Divine Freedom And The Doctrine Of The Immanent Trinity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Divine Freedom And The Doctrine Of The Immanent Trinity. Where to download Divine Freedom And The Doctrine Of The Immanent Trinity online for free? Are you looking for Divine Freedom And The Doctrine Of The Immanent Trinity PDF? This is definitely going to save you time and cash in something you should think about.
