**The Divine Comedy (complete)** Dante Alighieri, 2021-02-16 The Divine Comedy 1320 is a narrative poem by Dante Alighieri Begun in 1308 while Dante was exiled from his native Florence The Divine Comedy a long poem divided into three books of 33 cantos each presents the author s spiritual journey from sinfulness and despair to salvation and self understanding Written in the Tuscan vernacular the poem was influential in establishing a standardized Italian language In the first book Inferno Dante is led by the Roman poet Virgil into Hell There he comes to terms with his own sinfulness while observing the horrors and tortures suffered by those condemned to eternity in its circles Along the way Dante encounters historical figures acquaintances and other individuals whose violence fraud treachery and betrayal led their spirits to terrible suffering This technique which incorporates dialogue with detailed description is used throughout The Divine Comedy to provide context on historical theological and political subjects while simultaneously situating the poet as narrator and interlocutor in his own work In this way the physical and spiritual journey portrayed in the poem becomes a journey for Dante himself a way of transcending the despair he describes at its beginning In Purgatorio Dante follows Virgil on an ascent of the Mountain of Purgatory where he

encounters the souls of sinners who must atone for their actions in life before entering Heaven Leaving Virgil behind Dante in Paradiso follows a divine Beatrice through the celestial spheres of Heaven As he approaches God and his own salvation changed by a newfound sense of the Love which moves the sun and the other stars Dante ascends to the heights of world literature uniting the created soul and the artist s creation as no other poet has done before or since With a beautifully designed cover and professionally typeset manuscript this edition of Dante Alighieri s *The Divine Comedy* is a classic of Italian literature reimagined for modern readers     *The Divine Comedy (the Inferno, the Purgatory, and the Paradise)* Dante Alighieri,2015-04-29 *The Divine Comedy The Inferno The Purgatory and The Paradise* Dante Alighieri     *Dante's Divine Comedy: The Inferno Or Hell* Dante Alighieri,2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     *Dante's Divine Comedy* Dante Alighieri,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     *Dante's Divine Comedy* Dante Alighieri,Thomas Brooksbank,2015-09-01 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved
