Divine Trinity:

The Divine Trinity David Brown, 2012-01-09 This book the first serious analysis of the doctrine of the Trinity for many years presents a defense against the conservative treatment of the Trinity as an impenetrable mystery and against the radical position that the doctrine is incoherent and therefore unacceptable Brown favors the founding of a new discipline of philosophical theology or the widening of the horizons of the philosophy of religion to apply more widely the type of penetration of theology by philosophy that he exemplifies in his treatment of the Trinity He argues for belief in an interventionist God theism rather than deism and contends that biblical criticism and historical research do not imply the abandonment of Christian belief since the historical original should not be equated with theological truth Although historical difficulties must prevent any literal acceptance of the Gospel accounts in toto the true Christ can be disentangled from the historical Jesus by philosophical method Wide ranging in scope rigorous and candid in argument Brown s work will prove of interest to educated Christian laypersons and others beyond the boundaries of professional theology and philosophy of religion Perhaps most provocative is Brown s assertion that the Resurrection must be accepted as a literally true visionary experience and that anyone who accepts it must be prepared to take seriously other visionary experiences for example visions of the Virgin Mary even if he rejects them in the end It is certainly an astonishing truth that God should be so interested in a being of such vastly inferior powers as man says the author But that clearly must be the implication of the doctrine of the Trinity To have reached this conclusion by means of philosophical argument is to have taken a major step toward the complete penetration of theology by philosophy that Brown calls for *The Divine Trinity* , **The Trinity**

Thomas Joseph White, Thomas Joseph White, OP, 2022-03-11 The Trinity is the central mystery of the Christian faith What can we say about the divine nature and what does it mean to say that God is Father Son Holy Spirit three persons who are one in being In this book best selling author Thomas Joseph White OP examines the development of early Christian reflection on the Trinity arguing that essential contributions of Patristic theology are preserved and expanded in the thought of Thomas Aquinas By focusing on Aquinas theology of the divine nature as well as his treatment of divine personhood White explores in depth the mystery of Trinitarian monotheism The Trinity On the Nature and Mystery of the One God also engages with influential proposals of modern theologians on major topics such as Trinitarian creation Incarnation and crucifixion and presents creative engagements with these topics Ultimately any theology of the cross is also a theology of the Trinity and this book seeks to illustrate how the human life death and resurrection of Jesus reveal the inner life of God as Trinity **Two**

McCall, Paul Fiddes, 2014-09-02 Christians have always believed in the triune God but they haven t always understood or used the doctrine of the Trinity consistently In order to form a coherent view of trinitarian theology it s important for Christians to have a working knowledge of the two legitimate models for explaining this doctrine Classical presenting a traditional view of the Trinity

In this volume Pohle traces references to the doctrine of the Trinity in the Old and New Testaments and shows how the Trinity is foreshadowed in God s covenant with Israel and in the fulfillment of the covenant in Christ He then outlines a detailed doctrine of the Trinity drawing from the entire Bible the liturgies of the Early Church and the subsequent development of doctrine A discussion of various heresies in the church s history also figures prominently The second half of this volume deals with the relationships between each person within the Trinity along with the ways in which the Trinity is revealed through reason revelation and the acceptance of mystery Pohle asserts that evidence for the Trinity exists in both reason and revelation but famously states Christians must first believe then inquire **The Divine Trinity** Joseph

Trinity Sacra Pagina *The Divine Dispensing of the Divine Trinity for the Divine Economy* Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Thanksgiving weekend conference held in Washington D C on November 24 27 2022 The general subject of the conference was The Divine Dispensing of the Divine Trinity for the Divine Economy Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ The Divine Dispensing of the Divine Trinity Witness Lee,1990-06 Dispensing means to distribute God dispenses Himself to you just as you may dispense food to your guests Many readers of the Bible have realized that in the Gospel of John the Father is revealed the Son is revealed and the Spirit is revealed But not many have realized that in the Gospel of John the Triune God the Father the Son and the Spirit is revealed for the dispensing of Himself into us first as life then as life supply and then as everything *The most holy Trinity: the doctrine illustrated, and proved from the Scriptures [&c.]*. Ebenezer Soper,1853 Lectures on the Doctrine of the Holy Trinity Edward ANDREWS (LL.D.),1820 *One God in Trinity* Peter Toon,James D. Spiceland,2020-07-20 The dogma of the Holy Trinity is the fundamental and primary Christian doctrine It has been held by orthodox Christians that to loose or diminish this doctrine is to begin to descend a slippery slope leading to the loss of Christianity itself Yet at the level of the local church there may be discerned a general feeling that the Trinity is both difficult to understand and unimportant that to have faith in Jesus and to love one s neighbor is what Christianity is all about Despite the recital of creeds or the use of the trinitarian formula in The Grace most Christians appear in practice not to integrate their experience and knowledge of God the Father Son and Holy Spirit Here eleven men from five countries combine to present a report and analysis of the way in which the doctrine of the Trinity has been and is being discussed in recent theology and by distinguished theologians They all write from within a commitment to orthodoxy but they recognize that in our modern day we need to find new and attractive ways of presenting and expounding this ancient truth **Lectures on the doctrine of the holy Trinity** Edward Andrews,1828 **The holy Trinity in unity, as inquired into first, through the works of God, and secondly, as revealed by the holy Scriptures** Holy trinity,1845
