**Divinely Inspired** Cynthia Jaurdon-simmons,2009-09-01      **Divinely Inspired** Lilieth Henry,2011-02-08 God s amazing love reached down and drew me close to Him He bound me with unbreakable cords of love His love eclipsed my soul and Poems For The Soul was born At ti mes my sinful nature tried to steer me into an opposite course that is incompati ble to the will of God But God looked past my faults saw my potenti al harnessed it multi plied it and has now release it in the form of this book My prayer is that this book will draw souls to His kingdom      *Divine Inspiration in Byzantium* Karin

Krause,2022-06-09 In this volume Karin Krause examines conceptions of divine inspiration and authenticity in the religious literature and visual arts of Byzantium During antiquity and the medieval era inspiration encompassed a range of ideas regarding the divine contribution to the creation of holy texts icons and other material objects by human beings Krause traces the origins of the notion of divine inspiration in the Jewish and polytheistic cultures of the ancient Mediterranean and Near Eastern worlds and their reception in Byzantine religious culture Exploring how conceptions of authenticity are employed in Eastern Orthodox Christianity to claim religious authority she analyzes texts in a range of genres as well as images in different media including manuscript illumination icons and mosaics Her interdisciplinary study demonstrates the pivotal role that claims to the divine inspiration of religious literature and art played in the construction of Byzantine cultural identity      Divinely Inspired Sharon Jenkins,2019-11-22 Divine inspiration is the impression of a supernatural force causing

a person to experience a creative desire Inspiration pushes a person from apathy to opportunity and transforms the way we perceive our own capabilities Activate your inspiration It will have a major effect on the outcomes of your spiritual growth Spiritual growth is the enhancement of true healing that we seek from God Things will always occur that try to knock us down but God is right there with us to help us get back up showing us which way to turn The journey begins now As you take a peek at the pages of this book let the words flow like water through your spirit let them drip to the innermost parts of who you know you can be As you flourish in your growth understand that the thorns will be there Not to take you out but to sharpen you for the purpose that you are pressing towards as you gain the wisdom and knowledge to be divinely inspired

*The Fallibility of Inspired Scripture, as Maintained by Modern Criticism* James Barnhill,1877      Liberating Christianity Thomas C. Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers

a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity

**Socrates and Divine Revelation** Lewis Fallis,2018 The philosopher Socrates was guided in his investigations by nothing other than his own reason But did Socrates address adequately the possibility of guidance from a different and higher source the possibility of divine revelation In this book Lewis Fallis examines Socrates study of divine revelation Giving interpretations of two of Plato s dialogues the Euthyphro and the Ion which each depict Socrates conversing with a believer in revelation Fallis argues that in each dialogue Socrates explores the connection between knowledge of justice or nobility on the one hand and divine wisdom on the other By doing so Socrates searches for common ground between reason and revelation Shedding new light on Socratic dialectics Fallis uncovers the justification for understanding political philosophy to be the necessary starting point for an adequate inquiry into divine revelation Lewis Fallis is an independent scholar of political theory

**Godbreathed** Zack Hunt,2023-05-09 Could there be good news in biblical imperfections What if the imperfections and contradictions in Scripture aren t an accident What if they were allowed to be there by the Holy Spirit in order to draw us beyond the literal words on the page and deeper into the spiritual truth God is trying to teach us As provocative or unorthodox as that might sound it is in fact a very ancient way of understanding what it means for the Bible to be divinely inspired In this thorough and disarming book author Zack Hunt explains how we got here and offers a practical and easily accessible approach for reading and understanding the Bible that doesn t require a PhD in biblical languages As the disillusioned leave the Church in droves and the deconstructing search for better answers to eternal questions this book repositions Scripture in the life of the Church to allow it to be what it was meant to be all along a source of life hope and freedom for all Godbreathed will reclaim the idea of biblical truth and reveal it to be not a list of beliefs to affirm or laws to be followed but an invitation into a new way of living and loving on earth as it is in heaven

**Liberating the Bible** Thomas Calnan Sorenson,2015-10-27 Liberating the Bible offers readers a handbook to help them make their way through a front to back exploration of the riches contained in the Bible Thomas Calnan Sorenson blends scholarship with a down to earth presentation in a survey of the Bible that uncovers the basics of its many books and reveals the persuasive power of its messages to nurture faith expand understanding and deepen connections to God Liberating the

Bible organizes its guidance into three parts In Approaching the Bible eleven stops on the tour investigate the basics of the Bible its status in the church methods for reading and interpreting it and the grounding of its claims The second part The Old Testament groups the books of this testament and covers over sixteen stops Each of the stops delves into a book or cluster of books examining historical background organization key passages and distinctive themes and messages The third part The New Testament provides similar guidance while making eleven stops along the way If you are one of the millions who have a Bible or several on your nightstand but find yourself confused or intimidated by its size and scope then this guidebook offers its companionship It promises to serve as a seasoned and knowledgeable resource to consult as you make your trip through the Bible It will help you find a deeper faith and stronger ties to God through the Bibles powerful witness **Godbreathed**
