Divorce How And When To Let Go

John H. Adam, Nancy Williamson Adam

Divorce How And When To Let Go:

How Can I Let Go If I Don't Know I'm Holding On? Linda Douty, 2005-09-01 An exploration of the difficult but necessary lesson of life letting go as a means of healing maturing and getting closer to God and who and what is important Letting go isn't just saying good bye to people places and things as important as they may be It's also about letting go of attitudes and ideas such as perfectionism resentment worry and judgmentalism that keep us from growing in our relationships with God and others Letting go is crucial to our spiritual and emotional health In How Can I Let Go If I Don't Know I'm Holding On Linda Douty examines a variety of letting go struggles and offers ways to move on to a deeper spirituality Weaving together her own experiences and the stories of others she offers strategies for letting go of the things that keep us from a deeper relationship with the Divine With practical suggestions and updated versions of spiritual classics such as *lectio divina* plus questions for study and reflection this book is a rich resource for personal spiritual growth as well as for group study Every major spiritual tradition endorses a key piece of wisdom It is by giving up letting go and renouncing attachments that we achieve fulfillment and joy in life Linda Douty's book is a wide guide to accomplish this vital lesson Larry Dossey MD author of *The Extraordinary Power of Ordinary Things* *Reinventing Medicine and Healing Words* You're Grounded Forever . . .

But First, Let's Go Shopping Susan Shapiro Barash, 2025-10-16 Susan Shapiro Barash's provocative new book examines the most difficult challenges any woman faces when raising daughters Sample chapters include What color would you like that Prada bag in material indulgence Do you need to be eating that fixation on food and weight Of course you can drink when you're home with me loose boundaries and rules I know she's your friend but underestimating female friendships I'll just say you aren't feeling well making excuses And much more **The Ethics of Relationships**, 2025-09-04 Relationships are of utmost importance to our lives in that they give rise to various kinds of goods Yet they also make us vulnerable to distinct kinds of wrongs and harms So far philosophers have given some attention to the topics of friendship parent child relationships and love but many other kinds of relationships have been neglected Moreover philosophical theorizing has mostly focused on the value of relationships while the wrongs and harms involved in leading a particular relationship have hardly been investigated Similarly relationships have been analyzed as rather static phenomena but once we realize that they wax and wane and can even come to an end further moral challenges come into view This edited volume makes a major contribution to establishing an ethics of relationships through its analysis of many different kinds of relationships The chapters in this collection offer an in depth understanding of the distinct nature and value of relationships while also highlighting the dark sides of relationships and their distinct moral intricacies Contributions cover the relationship to self sibling relationships friendships and romantic partnerships including relationships between former partners More socially mediated connections are also discussed such as neighbours colleagues students and teachers as well as fans and celebrities In addition negative relationships like those between enemies and those between victims and perpetrators are explored in

detail The final chapters examine relationships with non human entities including companion animals and AI systems Through its wide ranging coverage and insightful analysis The Ethics of Relationships significantly broadens the scope of discussion and elucidates the normative significance of relationships

Moving Beyond your Parents' Divorce Mel Krantzler, Patricia Biondi Krantzler, 2003-02-05 From the bestselling author of Creative Divorce a refreshingly positive guide for adult children of divorced parents The potential harmful effects of parental divorce on children have been covered repeatedly in the media No wonder that many of the 30 million children whose parents have divorced since 1979 feel stigmatized Moving Beyond Your Parents Divorce is a groundbreaking book that presents readers with the tools to use their parents divorce as learning experiences to improve their own lives rather than repeating their parents mistakes Drawing from their extensive experience working with thousands of adult children of divorce the authors detail eight essential guidelines for Building emotional resilience Developing healthy relationships Creating a stable family Healing relationships with parents Step by step readers will learn how to move beyond victimhood and create a new sense of achievement and motivation

Divorce John H. Adam, Nancy Williamson Adam, 1979-01-01

Fathers and Divorce Terry Arendell, 1995-02-27 Although there has been much research attention paid to mothers and children fathers have been the unstudied parties in divorce In this comprehensive ethnographic study Terry Arendell gives voice to a group of divorced fathers on topics ranging from noncustodial parenting to relationships with their former spouses to fathers rights Their masculinist discourse of divorce often focuses on their rights as fathers resistance to injustices perpetrated by the ex spouse and the legal system the inherent differences between women and men and the fractured nature of the postdivorce family Using a feminist lens Arendell is able to differentiate the strategies adopted by traditionalist divorced fathers from innovative ones and suggests policy recommendations informed by their masculinist discourse Complementing her earlier work Mothers and Divorce this provocative volume offers a balanced and essential view for students and professionals in gender studies marriage and family sociology social work and communications
