Divorce Revolution

Kristin Mammen

Divorce Revolution:

The Divorce Revolution Lenore J. Weitzman, 1985 Based upon interviews with judges lawyers and divorced persons in California and data collected from that state's court dockets this volume presents the first systematic examination of the social and economic effects of divorce law reform Sociologist Weitzman concludes that while the abolition of grounds fault and consent has eliminated much of the acrimony previously associated with divorce proceedings this together with the institution of gender neutral standards for property awards and child support has resulted in increased economic hardship and social dislocation for divorced women and dependent children Weitzman does not intend to extrapolate her data conclusions and recommendations to the whole country however it is reasonable to believe that they have national implications Merlin Whitemen Dann Pecar Newman Talesnick amazon com **No-fault Divorce** Allen M.

Parkman, 2019-03-04 Since 1970 all the states adopted no fault divorce statutes which have had the unexpected effect of producing dire financial conditions for many divorced women and their children In this important study economist and lawyer Allen Parkman shows how no fault divorce has systematically operated against the interests of these women and children With rare economic and legal insight Parkman argues that by changing the grounds for divorce without changing the laws that define and allocate property at divorce the legal system created substantial injustices The key mistake he suggests was in accepting a definition of property that did not include the income earning capacity human capital of the individuals involved Using human capital theory Parkman criticizes current divorce law and presents a framework for reform that would reduce the injustices introduced by no fault divorce He concludes that a thorough reform however may require the changing of the grounds for divorce to mutual consent This book is essential reading for scholars professionals and indeed for anyone interested in the health and future of the family and the well being of women in contemporary U S society

Family Law and the Indissolubility of Parenthood Patrick Parkinson, 2011-02-21 There are few areas of public policy in the Western world where there is as much turbulence as in family law Often the disputes are seen in terms of an endless war between the genders Reviewing developments over the last 30 years in North America Europe and Australasia Patrick Parkinson argues that rather than just being about gender the conflicts in family law derive from the breakdown of the model on which divorce reform was predicated in the late 1960s and early 1970s Experience has shown that although marriage may be freely dissoluble parenthood is not Dealing with the most difficult issues in family law this book charts a path for law reform that recognizes that the family endures despite the separation of parents while allowing room for people to make a fresh start and prioritizing the safety of all concerned when making decisions about parenting after separation *The Unique Family Law in the State of Israel* Yitshak Cohen, 2021-06-15 In the State of Israel the unique family law derives from ancient Jewish law halakhic traditions and an extensive legal tradition spanning many centuries and geographic locations This book examines Israeli family law in comparison with the corresponding law in the United States and illuminates common

issues in legal systems worldwide The Israeli system is primarily controlled by the religious law of the parties Thus religious courts were also established and granted enforcement powers equivalent to those of the civil courts This is a complex situation because the religious law applied in these courts is not always consistent with gender equality and civil rights practiced in civil court This book seeks to clarify that tension and offer solutions The comprehensive analysis in this book may serve as a guide for those interested in family law civil court judges rabbinical court judges lawyers mediators arbitrators and families themselves Topics central to the book include issues subject to modification the right of a minor to independent status extramarital relationships and joint property

Democracy's Discontent Michael J. Sandel, 1998-02-06

On American democracy **Justice and Gender** Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women's activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change

Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women's Movement Separate Spheres and Legal Thought Part Two Equal Rights in Retrospect 3 Feminist Challenges and Legal Responses The Growth of the Contemporary Women's Movement Governmental Rejoinders Liberalism and Liberation 4 The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiem and Revivals 5 The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited Bona Fide Occupational Qualifications Definitions of Difference Part Three Contemporary Issues 6 False Dichotomies Benign and Invidious Discrimination in Welfare Policy Elderly Women and Social Security Special Treatment or Equal Treatment Pregnancy Maternal and Caretaking Policy Public and Private Social Welfare and Childcare Policies 7 Competing Perspectives on Family Policy Form and Substance The Marital Nonmarital Divide Lesbian Gay Rights and Social Wrongs Equality and Equity in Divorce Reform Text and Subtext in Custody Adjudication 8 Equality in Form and Equality in Fact Women and Work Occupational Inequality The Legal Response Employment Policy and Structural Change 9 Reproductive Freedom The Historical Legacy Abortion Adolescent Pregnancy Reproductive Technology 10 Sex and Violence Sexual Harassment Domestic Violence Rape Prostitution Pornography 11 Association and Assimilation Private Clubs and Public Values Education Athletics Different But Equal Conclusion Principles and Priorities Differences over Difference Differences over Sameness Theory about Theory Legal Frameworks Notes Index

Reviews of this book Rhode's work is impressive in its scholarship and its range a compelling account Josephine Shaw International and Comparative Law Quarterly Reviews of this book The definitive treatment of the American legal system's

struggle to deal with issues pertaining to gender The strength of Rhode s analysis however is not its historical aspect but its probing view of modern gender issues The focus is always on the deeper forces that have led to gender disadvantage There is much to be learned from reading this volume Victoria J Dodd Bimonthly Review of Law Books Reviews of this book A comprehensive journey through the history of law and gender The book is important in a number of ways It paints in stark irrefutable colors the irrational prejudices that have served to justify legal determinations limiting equality I t has the audacity to ask the law to turn on itself and work more justly Sheila James Kuehl California Lawyer Reviews of this book Encyclopedic Thorough carefully nuanced Rhode gives all sides their fair due on every issue she takes up A valuable resource for many years to come Susan Okin Law and Social Inquiry Justice and Gender breaks the impasse created by legal and theoretical debates over sameness and difference Deborah Rhode s brilliant analysis of gender and the law in the United States from the nineteenth century to the present argues persuasively for theories rooted in careful contextual analysis and for a legal emphasis on gender disadvantage rather than gender difference This book offers a new vantage point from which to think about the role of law in building a just society Sarah M Evans University of Minnesota *Gender and Rights* Carol Sanger, 2017-11-28 *Gender and Rights* presents twenty five essays by leading international scholars and advocates the relationship between rights and gender inequality The essays are organized into six categories rights sources of harm and well being work family violence and political process and participation Particular attention is paid throughout to the relationship between cultural practices and legal rights The volume also highlights the conceptual and the political development of rights claims and rights regimes for women and sexual minorities The essays therefore focus not only on the theoretical justifications for rights but also on the contextual complexities of their enactment implementation enforcement and consequences

The Long-Term Effects of the Divorce Revolution Kristin Mammen, 2009 The effects of divorce on individuals and on society as a whole has been widely debated in public discussion of American life The dialogue was sparked by the dramatic rise in the number of U S divorces which began in the 1960s Figure 1 illustrates that the divorce rate doubled from 10.6 to 20.3 divorces per 1,000 married women between 1965 and 1975 and continued to rise until 1981 Scholars have also debated the implications of the Divorce Revolution of this time period the liberalization of divorce laws in a large number of states to a unilateral regime which made divorce easier by requiring the consent of only one spouse to dissolve a marriage e.g. Friedberg 1998 Weitzman 1995 Some policymakers, 14 social scientists and advocacy groups have argued that this sweeping policy change was an important factor in a general decline of the American family e.g. Kirkwood 1996 Parkman 1993 Gruber 2004 found that children exposed to the unilateral divorce laws have poorer outcomes in young adulthood On the other hand the easing of divorce laws made it easier for people to leave toxic marriages and arguably increased the bargaining power of abused partners within marriages Stevenson and Wolfers 2006 find large declines in domestic violence in states that adopted unilateral divorce This paper contributes to the evaluation of the change in divorce

laws by examining a less studied area the long term effects of this policy change on the well being of men and women who were young adults when the laws were changing *American Gold Digger* Brian Donovan,2020-10-05 The stereotype of the gold digger has had a fascinating trajectory in twentieth century America from tales of greedy flapper era chorus girls to tabloid coverage of Anna Nicole Smith and her octogenarian tycoon husband The term entered American vernacular in the 1910s as women began to assert greater power over courtship marriage and finances threatening men s control of legal and economic structures Over the course of the century the gold digger stereotype reappeared as women pressed for further control over love sex and money while laws failed to keep pace with such realignments The gold digger can be seen in silent films vaudeville jokes hip hop lyrics and reality television Whether feared admired or desired the figure of the gold digger appears almost everywhere gender sexuality class and race collide This fascinating interdisciplinary work reveals the assumptions and disputes around women s sexual agency in American life shedding new light on the cultural and legal forces underpinning romantic sexual and marital relationships *The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set* Constance L. Shehan,2016-02-29 The Wiley Blackwell Encyclopedia of Family Studies presents a comprehensive interdisciplinary collection of the key concepts trends and processes relating to the study of families and family patterns throughout the world Offers more than 550 entries arranged A Z Includes contributions from hundreds of family scholars in various academic disciplines from around the world Covers issues ranging from changing birth rates fertility and an aging world population to human trafficking homelessness famine and genocide Features entries that approach families households and kin networks from a macro level and micro level perspective Covers basic demographic concepts and long term trends across various nations the impact of globalization on families global family problems and many more Features in depth examinations of families in numerous nations in several world regions 4 Volumes www.familystudiesencyclopedia.com

The Gray Divorce Revolution Tricia Scimone,2021 *Silent Revolution* Herbert Jacob,1988-07-27 Conflict and controversy usually accompany major social changes in America Such issues as civil rights abortion and the proposed Equal Rights Amendment provoke strong and divisive reactions attract extensive media coverage and generate heated legislative debate Some theorists even claim that only mobilization and publicity can stimulate significant legislative change How is it possible then that a wholesale revamping of American divorce law occurred with scarcely a whisper of controversy and without any national debate This is the central question posed and authoritatively answered in Herbert Jacob s *Silent Revolution* Since 1966 divorce laws in the United States have undergone a radical transformation No fault divorce is now universally available Alimony functions simply as a brief transitional payment to help a dependent spouse become independent Most states divide assets at divorce according to a community property scheme and whenever possible many courts prefer to award custody of children to the mother and the father jointly These changes in policy represent a profound departure from traditional American values and yet the legislation by which they were enacted was treated as a technical

correction of minor problems No fault divorce for example was a response to the increasing number of fraudulent divorce petitions Since couples were often forced to manufacture the evidence of guilt that many states required and since judges frequently looked the other way legal reformers sought no more than to bring divorce statutes into line with current practice On the basis of such observations Jacob formulates a new theory of routine as opposed to conflictual policy making processes Many potentially controversial policies divorce law reforms among them pass unnoticed in America because legislators treat them as matters of routine Jacob s is indeed the most plausible account of the enormous number and steady flow of policy decisions made by state legislatures It also explains why no attention was paid to the effect divorce reform would have on divorced women and their children a subject that has become increasingly controversial and that consequently is not likely to be handled by the routine policy making process in the future

The New Communitarians and the Crisis of Modern Liberalism Bruce Frohnen,1996 Profound scholarly learned carefully reasoned and though of enduring value timely Forrest McDonald author of *The American Presidency* A provocative book that does much to save us from the hubris of intellectuals John Patrick Diggins author of *The Lost Soul of American Politics* **Smith v. Smith, 433 MICH 606 (1989)** ,1989 81910 *American Journal of Family Law* ,1991 **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., **California. Supreme Court. Records and Briefs** California (State)., Good Sex Raymond A. Belliotti,1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn t acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy

Divorce Revolution Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Divorce Revolution PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Divorce Revolution PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Divorce Revolution free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Divorce Revolution Books

What is a Divorce Revolution PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Divorce Revolution PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Divorce Revolution PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Divorce Revolution PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Divorce Revolution PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to

restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
