Walt loved and appreciated nature and wildlife. He drew a lot of pictures of animals and birds.

He was also fond of his family and community. His family supported him and appreciated his art. His father, mother and his brother, Roy, encouraged him to become an artist.

He studied art and photography in school.

There is an interesting story about how he created Mickey Mouse. He had mice as pets when he was a young child. Also, in his studio where he worked, mice ran naughtily around the dustbin. So Walt Disney thought of making a funny mouse character!

Years later, he came up with another idea. He decided to make an animated movie. No one had ever made a movie before. It was a difficult task but he kept trying. Finally, he finished making the first cartoon movie *Snow White and the Seven Dwarfs*. The movie became very famous.

Walt Disney made lots of other animated movies. Still today, his company Walt Disney Productions makes interesting movies for children. Some of the movies made by Walt Disney and his company are *Cinderella*, *The Jungle Book*, *The Lion King*,
