Dispute Resolution Negotiation And Consensus Building:

Dispute Resolution Bloomsbury Publishing, 1984-05-30 John Dunlop is one of the world's outstanding figures in the theory and practice of industrial relations. In this book he advocates a better means to resolve disputes. He stresses that each side must work out its own internal accommodation as a necessary prerequisite to across the table resolution. *The Consensus Building Handbook* Lawrence Susskind, Sarah McKearnen, Jennifer Thomas-Larmer, 1999-08-09 Whether you work in the corporate world, a nonprofit organization or the government sector you likely face the need to work with others to solve problems and make decisions on a daily basis. And you've undoubtedly been frustrated by how laborious and conflict-ridden such group efforts can be. At all levels from neighborhood block associations to boards of directors of multinational corporations the consensus building process is highly effective in an increasingly fragmented contentious society. In addition the old top-down methods such as Robert's Rules of Order often prompt more problems than they solve. Consensus helps you to implement better more creative solutions. It provides a winning alternative to top-down decision making and even parliamentary procedure. By learning to build consensus stakeholders come to understand and respect one another's perspectives. The consensus building process allows participants to find solutions and forge agreements that meet everyone's needs and provides a meaningful basis for effective long-range implementation of decisions. *The Consensus Building Handbook* provides a blueprint to help make the process work in your organization including a practical quick reference Short Guide. Plus you'll find in-depth commentary and seventeen case studies with in-depth commentaries to provide the theoretical basis for this new approach. CASE STUDIES INCLUDE Activating a Policy Network The Case of Mainport Schiphol The Northern Oxford County Coalition Four Maine Towns Tackle a Public Health Mystery The Chelsea Charter Consensus Process Resolving Science Intensive Public Policy Disputes Reflections on the New York Right Initiative Negotiation Superfund Cleanup at the Massachusetts Military Reservation RuleNet An Experiment in Online Consensus Building Regulatory Negotiations The Native American Experience The Chattanooga Process A City's Vision Is Realized From City Hall to the Streets A Community Plan Meets the Real World The Catron County Citizens Group A Case Study in Community Collaboration Facilitating Statewide HIV/AIDS Policies and Priorities in Colorado Building Consensus for Change Within a Major Corporation The Case of Levi Strauss Company
