Dissent In Ukraine An Underground Journal From Soviet Ukraine

Andrew Gregorovich

Dissent In Ukraine An Underground Journal From Soviet Ukraine:

Dissent in Ukraine Lesya Jones, Bohdan Yasen, 1977 *Dissent in Ukraine* Lesya Jones, 1977 **Ukraine** Taras Kuzio, 2015-06-23 A definitive contemporary political economic and cultural history from a leading international expert this is the first single volume work to survey and analyze Soviet and post Soviet Ukrainian history since 1953 as the basis for understanding the nation today Ukraine dominated international headlines as the Euromaidan protests engulfed Ukraine in 2013 2014 and Russia invaded the Crimea and the Donbas igniting a new Cold War Written from an insider's perspective by the leading expert on Ukraine this book analyzes key domestic and external developments and provides an understanding as to why the nation's future is central to European security In contrast with traditional books that survey a millennium of Ukrainian history author Taras Kuzio provides a contemporary perspective that integrates the late Soviet and post Soviet eras The book begins in 1953 when Soviet leader Joseph Stalin died during the Cold War and carries the story to the present day showing the roots of a complicated transition from communism and the weight of history on its relations with Russia It then goes on to examine in depth key aspects of Soviet and post Soviet Ukrainian politics the drive to independence Orange Revolution and Euromaidan protests national identity regionalism and separatism economics oligarchs rule of law and corruption and foreign and military policies Moving away from a traditional dichotomy of good pro Western and bad pro Russian politicians this volume presents an original framework for understanding Ukraine's history as a series of historic cycles that represent a competition between mutually exclusive and multiple identities Regionally diverse contemporary Ukraine is an outgrowth of multiple historical Austrian Hungarian Polish Russian and especially Soviet legacies and the book succinctly integrates these influences with post Soviet Ukraine determining the manner in which political and business elites and everyday Ukrainians think act operate and relate to the outside world **In the Labyrinth of the KGB** Olga Bertelsen, 2022-02-15 2024 Winner Kjetil Hatlebrekke Memorial Book Prize King's College Centre for the Study of Intelligence This book focuses on the generation of the sixties and seventies in Kharkiv Soviet Ukraine a milieu of writers who lived through the Thaw and the processes of de Stalinization and re Stalinization Special attention is paid to KGB operations against what came to be known as the dissident milieu and the interaction of Ukrainians Jews and Russians in the movement their persona friendships formal and informal interactions and the ways they dealt with repression and arrests This study demonstrates that the KGB unintentionally facilitated the transnational and intercultural links among the Kharkiv multi ethnic community of writers and their mutual enrichment Post Khrushchev Kharkiv is analyzed as a political space and a place of state violence aimed at combating Ukrainian nationalism and Zionism two major targets in the 1960s 1970s Despite their various cultural and social backgrounds the Kharkiv literati might be identified as a distinct bohemian group possessing shared aesthetic and political values that emerged as the result of de Stalinization under Khrushchev Archival documents diaries and memoirs suggest that the 1960s 1970s was a period of intense KGB operations active measures

designed to disrupt a community of intellectuals and to fragment friendships bonds and support among Ukrainians Russians and Jews along ethnic lines domestically and abroad *Historical Dictionary of Ukraine* Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine **The American Bibliography of Slavic and East European Studies**, 1982 *Guide to the Study of the Soviet Nationalities* Stephan M. Horak, Marjorie Mandelstam Balzer, 1982 **The Ukrainian Quarterly**, 2002 **Language and the Politics of Ethnicity** Dominique Arel, 1993 [Ukraine and Ukrainian Canadians](#) Andrew Gregorovich, 1979 [Ukrainian Literature in English, 1966-1979](#) Marta Tarnavs'ka, 2010 **To Pray Again as a Catholic** Stella M. Hryniuk, 1995 *Research in Political Economy* Paul Zarembka, 1984 [Russia, the USSR, and Eastern Europe](#) Stephan M. Horak, 1982 **Canadiana**, 1985 [Political Dissent](#) Alan John Day, 1983 [The Cumulative Book Index](#), 1978 A world list of books in the English language **National Union Catalog**, 1978 *Subject Catalog* Library of Congress, 1978 [Ukraine After Shelest](#) University of Alberta. Canadian Institute of Ukrainian Studies, Canadian Association of Slavists, Canadian Political Science Association, 1983
