Distinctive Lessons from Luke William Clarence Brownson, William C Brownson, Jr,1974-05 **Jesus the Christ: A** Study of the Messiah and Mission According to Holy James E. Talmage, 2016-08-25 The scope of the subject presented in this work is expressed on the title page It will be readily seen that the author has departed from the course usually followed by writers on the Life of Jesus Christ which course as a rule begins with the birth of Mary s Babe and ends with the ascension of the slain and risen Lord from Olivet The treatment embodied in these pages in addition to the narrative of the Lord s life in the flesh comprizes the antemortal existence and activities of the world s Redeemer the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times the assured nearness of the Lord's second advent and predicted events beyond all so far as the Holy Scriptures make plain It is particularly congruous and appropriate that the Church of Jesus Christ of Latter day Saints the only Church that affirms authority based on specific revelation and commission to use the Lord's Holy Name as a distinctive designation should set forth her doctrines concerning the Messiah and His mission The author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the Church and the completed work has been read to and is approved by the First Presidency and the Council of the Twelve It presents however the writer's personal belief and profoundest conviction as to the truth of Pq iv what he has written The book is published by the Church of Jesus Christ of Latter day Saints A characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the Holy Writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many dark passages of ancient construction Jesus the Christ: A Study of the Messiah and His Mission According to Holy **Scriptures Both Ancient and Modern** James E. Talmage, 2012-02-29 The scope of the subject presented in this work is expressed on the title page It will be readily seen that the author has departed from the course usually followed by writers on the Life of Jesus Christ which course as a rule begins with the birth of Mary's Babe and ends with the ascension of the slain and risen Lord from Olivet The treatment embodied in these pages in addition to the narrative of the Lord s life in the flesh comprizes the antemortal existence and activities of the world's Redeemer the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times the assured nearness of the Lord s second advent and predicted events beyond all so far as the Holy Scriptures make plain A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires

additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety Jesus the Christ James E. of perspectives allowing you to browse or find the one source accurately and with ease Talmage, 2020-08-17 Jesus the Christ A Study of the Messiah and His Mission According to the Holy Scriptures Both Ancient and Modern is a study on the life and ministry of Jesus Christ and is widely appreciated by members of The Church of Jesus Christ of Latter day Saints LDS Church The book consists of 42 chapters each focusing on important aspects of the life and mission of Jesus as the Messiah Jesus the Christ has been viewed by the LDS Church as a classic text on its teachings and beliefs concerning the life and ministry of Jesus Select Notes on the International Sabbath School Lessons Francis Nathan Peloubet.1878 The Bible Study Union Lessons ,1913 ...
