

An artistic illustration of Jesus and a young girl walking on a beach at sunset. Jesus, with long brown hair and a beard, wears a red robe over a white tunic and a grey sash. He is smiling and holding the hand of a young girl with long brown hair, who is wearing a blue long-sleeved shirt and blue pants. They are walking barefoot on the sand. In the background, a large, glowing yellow cross is visible against a sky of orange, yellow, and blue. The overall mood is peaceful and spiritual.

Divine Footsteps:

Footsteps of the Divine Dance Marianne E. Brandt, 2014-07-02 You have turned my mourning into joyful dancing Oh Lord my God I will give you thanks forever Mine is a simple story by a regular person finding the Lord's Presence in the circumstances of everyday life The stories in this book may be simple but what I hope you will see is that you too can have a beautiful story of meeting Jesus in the everyday simplicity of your life Many of us read stories of how someone finally meets Jesus after they have pressed on through drugs alcohol physical abuse and other extreme hardships They are beautiful and inspiring However I believe most people have regular lives like myself It can happen in your life if it hasn't already What I was given along this amazing bittersweet journey through its somewhat gentle ups and downs is more precious than any amount of wealth power or material gifts in the world God's lead is always perfect provided we give up our control Why not dance in the arms of Jesus **HAPPY DANCING**

Canticle John of the Cross, 2023-11-18 In *The Spiritual Canticle* John of the Cross presents a profound exploration of the soul's journey towards divine union articulated through a rich tapestry of poetic imagery and mystical language. This work embodies the essence of the Spanish mystic's literary style, blending lyrical beauty with deep spiritual insight, reflecting the Renaissance's burgeoning interest in inner spirituality. Rooted in the tradition of Medieval mysticism, the *canticle* employs allegory and symbol to articulate the soul's longing for God, drawing from the biblical Song of Songs to illustrate the intimate relationship between the divine and the believer. John of the Cross, a 16th-century Carmelite friar and co-founder of the Discalced Carmelites, was deeply influenced by his own mystical experiences and the tumultuous socio-political context of his time. His rigorous spiritual training and commitment to reforming the Carmelite order inform the depth and authenticity of his writings. *The Spiritual Canticle* reflects his exploration of purification, the dark night of the soul, and ultimately the transformative power of love. This exquisite work is a must-read for those interested in Christian mysticism, poetry, and spiritual growth. Readers will find in John of the Cross's eloquent verses an invitation to embark on their own spiritual journey, deepening their understanding of love, suffering, and the pursuit of divine communion. Religion, Ritual and Ritualistic Objects Albertina (Tineke) Nugteren, 2019-04-23 This is a volume about the life and power of ritual objects in their religious ritual settings. In this Special Issue, we see a wide range of contributions on material culture and ritual practices across religions. By focusing on the dynamic interrelations between objects, ritual, and belief, it explores how religion happens through symbolic materiality. The ritual objects presented in this volume include masks worn in the Dogon dance, antique ecclesiastical silver objects carried around in festive processions and shown in shrines in the southern Andes, funerary photographs and films functioning as mnemonic objects for grieving children, a dented rock surface perceived to be the god's footprint in the archaic place of pilgrimage Gaya, India, a recovered manual of rituals from Xiapu county for Mani, the founder of Manichaeism, juxtaposed to a Manichaean painting from southern China, sacred stories and related sacred stones in the Alor Pantar archipelago, Indonesia, lotus symbolism indicating immortalizing plants in the mythic traditions of Egypt, the Levant, and Mesopotamia, lavishly illustrated variations of portrayals of Ravana, a Sinhalese god-king, demon figurines made of cow dung sculptured by rural women in Rajasthan, India, and mythical artifacts called Apples of Eden in a well-known interactive game series. **The Christian Doctrine of Immortality** Stewart Dingwall Fordyce Salmond, 1901 **Bible Truths Illustrated** J.
