Divine Paradoxes:

Divine Paradoxes; or distinguishing characteristics of a believer. Chiefly extracted from Lord Bacon [or rather, from the "Characters of a Believing Christian," commonly attributed to Herbert Palmer], and others Francis Bacon, 1799 **The Divine Paradox** Roger Ladd Memmott, 2011-10-08 A Compass Book Trade Paperback 130 pages AS NOTED IN THE PREFACE to this tour de force It is virtually impossible to read the scriptures without considering the multitude of contraryisms if not the profound if only apparent contradictions that embody divine truths The Divine Paradox gives consideration to a few of the remarkable and deeply profound paradoxes that lie within the scriptures paradoxes given and revealed by divinity to assure us not only of the nature of our reality but more importantly the nature of our relationship to the Father and the Son As we come to understand the Divine Paradox we come to more fully appreciate the principles that lie behind our free agency the atonement and eternal life We come to more fully appreciate what the Lord means when in Moses 1:39 he tells the ancient prophet For behold this is my work and my glory to bring to pass the immortality and eternal life of man John G. Demaray, 1999-06-01 In this analysis of Milton's artistry as an epic poet John G Demaray offers a fresh perspective on one of the world's great epic poems Placing Paradise Lost against the background of Renaissance theatrical and literary formspageants baroque spectacles masques musical dramas and Continental heroic works Demaray offers the first extended critical reading of the poem as a unique theatrical epic incorporating heroic conventions theological materials and elements of visual pageantry He examines Milton's early experiments in prophetic verse and theatrical forms the poet's exposure to Italian theater and art during travels in 1638-39 and the influence of classical Continental and British works upon evolving drafts of Paradise Lost He relates the epic in new ways to the writings of Jonson Dryden and others Readers interested in seventeenth century literature Renaissance and baroque theater the epic religious writings and the creative processes of Milton's imagination will all find many original insights in Milton's Theatrical Epic Divine Paradoxes Jon Tal Murphree, Jon T. Murphree, 1998 **Ontology of Divinity** Mirosław Szatkowski, 2024-04-22 This volume announces a new era in the philosophy of God Many of its contributions work to create stronger links between the philosophy of God on the one hand and mathematics or metamathematics on the other hand It is about not only the possibilities of applying mathematics or metamathematics to questions about God but also the reverse question Does the philosophy of God have anything to offer mathematics or metamathematics The remaining contributions tackle stereotypes in the philosophy of religion The volume includes 35 contributions It is divided into nine parts 1 Who Created the Concept of God 2 Omniscience Omnipotence Timelessness and Spacelessness of God 3 God and Perfect Goodness Perfect Beauty Perfect Freedom 4 God Fundamentality and Creation of All Else 5 Simplicity and Ineffability of God 6 God Necessity and Abstract Objects 7 God Infinity and Pascal's Wager 8 God and Meta Mathematics and 9 God and Mind Paradoxes of Catholicism Robert Hugh Benson, 1913 These sermons which the following pages contain in a much

"The Kingdom of God is Within You" graf Leo Tolstoy,1894 The Kingdom of God Is Within You is a non fiction book written by Leo Tolstoy A philosophical treatise the book was first published in Germany in 1894 after being banned in his home country of Russia It is the culmination of thirty years of Tolstoy's thinking and lays out a new organization for society based on an interpretation of Christianity focusing on universal love The Kingdom of God is Within You is a key text for Tolstoyan proponents of nonviolence of nonviolent resistance and of the Christian anarchist movement The title of the book originates from Luke 17 21 In the book Tolstoy speaks of the principle of nonviolent resistance when confronted by violence as taught by Jesus Christ When Christ says to turn the other cheek Tolstoy asserts that Christ means to abolish violence even the defensive kind and to give up revenge Tolstoy rejects the interpretation of Roman and medieval scholars who attempted to limit its scope How can you kill people when it is written in God's commandment Thou shalt not murder Tolstoy took the viewpoint that all governments who waged war are an affront to Christian principles As the Russian Orthodox Church was at the time an organization merged with the Russian state and fully supporting state's policy Tolstoy sought to separate its teachings from what he believed to be the true gospel of Christ specifically the Sermon on the Mount Tolstoy advocated nonviolence as a solution to nationalist woes and as a means for seeing the hypocrisy of the church In reading Jesus words in the Gospels Tolstoy notes that the modern church is a heretical creation Nowhere nor in anything except in the assertion of the Church can we find that God or Christ founded anything like what churchmen understand by the Church Tolstoy presented excerpts from magazines and newspapers relating various personal experiences and gave keen insight into the history of non resistance from the very foundation of Christianity as being professed by a minority of believers In particular he confronts those who seek to maintain status quo That this social order with its pauperism famines prisons gallows armies and wars is necessary to society that still greater disaster would ensue if this organization were destroyed all this is said only by those who profit by this organization while those who suffer from it and they are ten times as numerous think and say quite the contrary **Sermons** Frederic William Farrar,1889 **The Complete Works of Count Tolstoy: The kingdom of God is within you; Christianity and patriotism; Miscellanies** graf Leo Tolstoy,1905 The Complete Works of Count Tolstoy graf Leo Tolstoy,1905 **'The Kingdom of God is within you', tr. by C.
