Divinity And Maximal Greatness

Daniel J. Hill, Randal D. Rauser

Divinity And Maximal Greatness:

Divinity and Maximal Greatness Daniel J. Hill, 2005 Divinity and Maximal Greatness stands in the notable tradition of perfect being theology The book thoughtfully explicates the concept of divinity in terms of the notion of maximal greatness a being is divine if and only if he is maximally great **BOOK JACKET** Divinity and Maximal Greatness Daniel James

Hill, University of London (GB), 2001 Defeating the Evil-God Challenge Jack Symes, 2024-05-16 The evil god challenge is one of the most popular topics in contemporary philosophy of religion In this landmark text Jack Symes offers the most detailed examination of the challenge to date Exploring the nature of god through the leading schools of philosophical theology Symes argues that it is significantly more reasonable to attribute goodness to god than evil Drawing from a breadth of ground breaking material in metaphysics ethics aesthetics and epistemology Symes claims to defeat the evil god challenge on behalf of traditional theism Is it any more reasonable to believe in a good god than an evil god Not according to proponents of the evil god challenge After all the world contains a significant amount of good and evil for which either god could be held responsible However if belief in both gods is equally as reasonable then religious believers are unjustified in favouring one hypothesis over the other Therefore in order to defend their faith theists must respond to the evil god challenge the question of what justifies belief in good god over evil god **God, Existence, and Fictional Objects**

John-Mark L. Miravalle, 2018-10-18 God and fictional objects are central topics within philosophy but rarely do the respective discussions overlap Until now the two fields have remained independent Applying the debate about fictional objects to issues of theology for the first time John Mark L Miravalle bridges these two fields and presents a new approach to notions of God creatures and existence Miravalle explains why meinongianism which holds that certain things can serve as intentional objects with properties even though they do not exist can facilitate talk of nonexistence better than other metaphysical viewpoints such as platonism modal realism and pretense theory He identifies points of connection between theology and nonexistents and uses meinongianism to buttress the cosmological and ontological arguments for God's existence As a result he is able to explore fresh solutions to problems of classical theism from the necessary existence of God and creation ex nihilo to free will and the problem of evil By revealing how a particular account of fictional objects is especially harmonious with and supportive of the major claims of traditional theism Miravalle makes a major contribution to theistic metaphysics

A Philosophical Theology of the Old Testament Jaco Gericke, 2020-01-08 Are we able to identify and compare the philosophical perspectives and questions that must be postulated as having been somehow present in the language ideas and worldviews of the Biblical authors This book sets out an approach to something that has been generally considered impossible a philosophical theology of the Old Testament It demonstrates and addresses the neglect of a descriptive and comparative philosophical clarification of concepts in Old Testament theology and in so doing treads new ground in Biblical studies and philosophical theology Recognizing the obvious problems with and objections to any form of interdisciplinary

research combining philosophical and Biblical theology this study presents itself as introductory and experimental in nature The methodology opted for is limited to a philosophical clarification of concepts already found in Old Testament theology while the findings are presented via the popular thematic approach found in analytic philosophical theologies with no attempted justification or critique of the textual contents under investigation These approaches are combined by primarily looking at the nature of Yahweh in the Old Testament This book offers a new vision of Biblical and philosophical theology that brings them closer together in order that we might understand both more broadly and deeply As such it will be vital reading for scholars of Theology Biblical Studies and Philosophy

New Waves in Philosophy of Religion Yujin Nagasawa, Erik Wielenberg, 2009 New Waves in Philosophy of Religion presents cutting edge research by some of the best philosophers of religion of the new generation

Christian Philosophy A-Z Daniel J. Hill, Randal D. Rauser, 2006 A handy guide to the major figures and issues in Christian philosophy from Augustine to the present This volume covers a broad historical sweep and takes into account those non Christian philosophers that have had a great impact on the Christian tradition However it concentrates on the issues that perplex Christian philosophers as they seek to think through their faith in a philosophical way and their philosophical beliefs in the light of their faith Examples of the topics discussed are the question of whether and how God knows the future whether we actually know that God exists and what Athens has to do with Jerusalem The leaders of the recent revival of Christian analytic philosophy especially Alvin Plantinga Nicholas Wolterstorff William Alston and Robert Adams are also included This book will be of interest to those studying Christian philosophy and to Christians seeking to think philosophically about their faith

Praise Worthy Greatness Francis Bestman Isugu, 2014-08-14 This work praiseworthy Greatness exposes you to the secrets of Praiseworthy Greatness These secrets revealed to you in this discourse are hidden truths about God and you The hidden truths about why God has always been and remains the greatest are revealed to you as the secrets about why you are less compared to God But with this discourse you are challenged to look beyond your present status of being less in comparison with God s maximal greatness to begin to

aspire and finally to become the greatest like God Formerly you were less as every ordinary human person is in comparison with God s maximal greatness but you become the greatest like God after learning and practicing the secrets revealed in this discourse As a discourse this work is practically meant to teach you secrets that no one ever told you about to be the secrets to praiseworthy greatness You never knew or heard that these are the same principles used by God not only to be but to remain the greatest being You will be proposing a celebration for your glory after knowing these secrets as they are discussed in relation to the theme Praiseworthy Greatness Secrets from God s Maximal Greatness Encyclopedia of Christian Theology: G-O Jean-Yves Lacoste,2005 **Our Idea of God** Thomas V. Morris,1991 Many people even within the ranks of devout religious believers have only the haziest conception of God A significant number of such people admit that this vagueness about God bothers them deeply but that they don t know how to go about getting clearer on this important idea

The Enigmatic Realm of **Divinity And Maximal Greatness**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
