Rebuilding Bruce Fisher,Robert Alberti,2016-11-01 Divorce is rarely easy often painful and can even chip away at our sense of self *Rebuilding* is the number one trusted resource on divorce recovery In print for over thirty five years this classic self help book is now available in an updated fourth edition featuring a new introduction by coauthor Robert Alberti Inside readers will find time tested tools to help rebuild their lives after divorce *Paperbound Books in Print* ,1992 *Respect the Path* Michele Noel,2022-06-10 *Respect the Path* is a gritty truth telling companion book to any 12 Step Addiction Recovery effort for women It is also a must read for any woman who lives with or loves an addict and has suffered the abuses involved in such a relationship Generally focused on the broad diversity of the Christian community Michele pushes back on traditional Christian judgments about the good or bad direction anyone s path is currently taking Working with women in over a thousand group and individual meetings has taught Michele that even the most depraved addict or the most horribly abused woman can find health and healing for her body mind and soul The Recovery path is grueling exhausting powerful and glorious Truth is gloriousness can only come from growing out of that deprivation Every path is simply a valued vital part of uncovering the magnificence that already existed within every woman Work the path believe that your path has value no matter what Yet valuing the path does not grant permission to stew in the juices of self pity blame or self righteous rationalizations Rather we dig deep for that dormant power of Queenship and go to work We change ourselves and the world one day at a time Respecting the path requires us to open our minds to new concepts and ideas about how we think about

what we are thinking about Michele has seen just as many lives brought to the brink of destruction by repetitive negative thinking patterns as by the ravages of any substance or behavioral addiction. Addiction patterns and negative thinking patterns can be overcome because the brain has a God-given healing power. God is in this work. Michele uses the term addiction in a broad, non-condemning sense because ownership and accountability are essential to healing and finding the joy of Recovery. The term addiction becomes our friend, our instructor, not a shame label, and it certainly does not define who we are. Rather, it is merely the path we have trod. Michele's favorite self-title is Addict in Recovery.
