

THE DIXIE FRONTIER

A Social History

by Everett Dick

Foreword by John D. W. Guice

Dixie Frontier

Leonard J. Arrington

Dixie Frontier:

The Dixie Frontier Everett Dick,1993-03-01 The Dixie frontier was one of the most romantic and heroic of the entire North American continent This engaging social history of the everyday life of the first settlers and pioneers has earned readers praise over two generations **The Dixie Frontier: A Social History of the Southern Frontier from the First Transmontane Beginnings to the Civil War** Everett Dick,1948 *The Dixie Frontier* Everett Newfon Dick,1974-01-01

The Dixie Frontier Everett Dick,1993 **Eating, Drinking, and Visiting in the South** Joe Gray Taylor,2008-02-01 A lively informal history of over three centuries of southern hospitality and cuisine Eating Drinking and Visiting in the South traces regional gastronomy from the sparse diet of Jamestown settlers who learned from necessity to eat what the Indians ate to the lavish corporate cocktail parties of the New South Brimming with memorable detail this book by Joe Gray Taylor ranges from the groaning plates of the great plantations witnessed by Frederick Law Olmsted and a great many others to the less than appetizing extreme guests often confronted in the South s nineteenth century inns and taverns execrable coffee rancid butter and very dubious meat Taylor describes the diet of the early pioneers with its corn bread beaver tail soup and black bear meat and the creation of the South s regional cuisines including Kentucky s burgoo and south Louisiana s gumbo He tells of the rounds of visitation that were the social lifeblood of the Old South of the fatback and hoecake that fed plantation slaves and of the starvation diet of the Confederate soldier and civilian Taylor then looks at how technological advances and urbanization have in some cases enhanced but more often diluted the southern eating experience and he finds that despite the introduction of fast food abominations and factory made horrors such as quick grits and canned biscuits the region s sturdy eating drinking and social traditions still flourish in many byways and on some main avenues of the modern South In a new introduction noted food writer John Egerton looks at what motivated Joe Gray Taylor to undertake this fine study and discusses how southern food studies have progressed since the book was first released *Old Southwest to Old South* Mike Bunn,Clay Williams,2023-02-22 Mississippi s foundational epoch in which the state literally took shape has for too long remained overlooked and shrouded in misunderstanding Yet the years between 1798 when the Mississippi Territory was created and 1840 when the maturing state came into its own as arguably the heart of the antebellum South was one of remarkable transformation Beginning as a Native American homeland subject to contested claims by European colonial powers the state became a thoroughly American entity in the span of little more than a generation In *Old Southwest to Old South* Mississippi 1798 1840 authors Mike Bunn and Clay Williams tell the story of Mississippi s founding era in a sweeping narrative that gives these crucial years the attention they deserve Several key themes addressing how and why the state developed as it did rise to the forefront in the book s pages These include a veritable list of the major issues in Mississippi history a sudden influx of American settlers the harsh saga of Removal the pivotal role of the institution of slavery and the consequences of heavy reliance on cotton production The book bears witness to Mississippi s birth as the twentieth state in

the Union and it introduces a cast of colorful characters and events that demand further attention from those interested in the state's past. A story of relevance to all Mississippians, Old Southwest to Old South, explains how Mississippi's early development shaped the state and continues to define it today. The Emergence of a National Economy, 1775-1815 Curtis P. Nettels, 2017-07-28. Part of a series of detailed reference manuals on American economic history, this volume traces the development of agriculture, transportation, labour movements, and the factory system, foreign and domestic commerce, technology, and the ramifications of slavery.

Early Alabama Mike Bunn, 2019-06-25. An illustrated guidebook documenting the history and sites of the state's origins. Alabama's territorial and early statehood years represent a crucial formative period in its past, a time in which the state both literally and figuratively took shape. The story of the remarkable changes that occurred within Alabama as it transitioned from frontier territory to a vital part of the American union in less than a quarter century is one of the most compelling in the state's past. This history is rich with stories of charismatic leaders, rugged frontiersmen, a dramatic and pivotal war that shaped the state's trajectory, raging political intrigue, and pervasive sectional rivalry. Many of Alabama's modern cities, counties, and religious, educational, and governmental institutions first took shape within this time period. It also gave way to the creation of sophisticated trade and communication networks, the first large-scale cultivation of cotton, and the advent of the steamboat. Contained within this story of growth and innovation is a parallel story, the dispossession of Native groups of their lands and the forced labor of slaves, which fueled much of Alabama's early development.

Early Alabama: An Illustrated Guide to the Formative Years 1798-1826 serves as a traveler's guidebook with a fast-paced narrative that traces Alabama's developmental years. Despite the great significance of this era in the state's overall growth, these years are perhaps the least understood in all of the state's history and have received relatively scant attention from historians. Mike Bunn has created a detailed guide appealing to historians and the general public for touring historic sites and structures, including selected homes, churches, businesses, government buildings, battlefields, cemeteries, and museums.

The Dixie Frontier, a Social History of the Southern Frontier from the First Transmontane Beginnings to the Civil War Everett Newfon Dick, 1964. **Latin American Frontiers** Pacific Coast Council on Latin American Studies. Meeting, 1981. The Alabama Review, 1948. **A Rogue's Paradise** James M. Denham, 1997. This text traces the growth and social development of the Florida frontier through its experience with crime and punishment. Using court records, government documents, newspapers, and personal papers, it explores how crime affected ordinary citizens in antebellum Florida.

The Nation, 1892. **The Dixie Frontier** Everett Dick, 1948. Life and Confession of the Noted Outlaw, James Copeland James Robert Soda Pitts, 1992. Confessions of a Southern Mississippi outlaw of the 1830s and 1840s. *Empire Review*, 1906.

The Dixie frontier, a social history of the southern frontier from the first transmontane beginnings to the Civil War Everett Newfon Dick, 1964. **The Catholic Historical Review**, 1949. **Charles C. Rich, Mormon General and Western Frontiersman** Leonard J. Arrington, 1974. Biography of Charles Coulson Rich 1809-1883.

son of Joseph Rich and Nancy O Neal and grandson of Thomas and Ann Rich He became a convert to The Church of Jesus Christ of Latter day Saints in 1832 became a leader of Mormon defensive forces in Missouri Illinois and Utah a leader of colonizing parties in Iowa Idaho and California He became a member of the Council of Twelve and was active in politics in both Idaho and Utah He was born in Kentucky and died in Paris near Bear Lake Idaho American Civilization Wesley Marsh Gewehr,1957
