What's the worst that could happen? I encourage you to remember this often neglected question as you begin to see the infinite possibilities outside of your current comfort zone. Tim Ferriss, *The 4 Hour Work Week*. No matter where you stand at the moment you're reading this book, it is written in a way that you can start IMMEDIATELY to earn an income from online work. Most online jobs covered in chapter 2 can be executed by anyone as they're easy and require very little expertise and skill. Many people are not aware how simple it is to begin with making money online, and it is the author's mission with this guide and everything else they blog and write about to spread the word. In chapter 3, they delve into more complex and advanced ways to make a living online. Fernando took this path as he identified his passion for SEO and digital marketing and set up his own online business, ClickDo Ltd, with only a few clients in the early days. Kasun joined him, and together they went on the journey of building many more online businesses like web hosting company SeekaHost. Manuela felt an emerging passion for writing while working as a teacher and found ClickDo while searching for WordPress Training to start her own blog. Now she writes content and manages various ClickDo blogs. If they can do it, so can you. If that isn't convincing you right now to get online and start earning from the comfort of your own home or your hotel, then what else can? Hopefully, this extensive make money online guide can help you visualise your future work life and encourage you to get started as soon as you're ready for the transition. It provides online money generating ideas for many different talents, skill sets, characters, and personalities so that you can see yourself in one or more of them and turn it into your very own dream career.
