Innovations and Advanced Techniques in Computer and Information Sciences and Engineering Tarek Sobh,2007-09-04 Innovations and Advanced Techniques in Computer and Information Sciences and Engineering includes a set of rigorously reviewed world class manuscripts addressing and detailing state of the art research projects in the areas of Computer Science Computer Engineering and Information Sciences Innovations and Advanced Techniques in Computer and Information Sciences and Engineering includes selected papers form the conference proceedings of the International Conference on Systems Computing Sciences and Software Engineering SCSS 2006 which was part of the International Joint Conferences on Computer Information and Systems Sciences and Engineering CISSE 2006 All aspects of the conference were managed on line not only the reviewing submissions and registration processes but also the actual conference Conference participants authors presenters and attendees only needed an internet connection and sound available on their computers in order to be able to contribute and participate in this international ground breaking conference The on line structure of this high quality event allowed academic professionals and industry participants to contribute work and attend world class technical presentations based on rigorously refereed submissions live without the need for investing significant travel funds or time out of the office Suffice to say that CISSE received submissions from more than 70 countries for whose researchers this opportunity presented a much more affordable dynamic and well planned event to attend and submit their work to versus a classic on the ground conference The CISSE conference audio room provided superb audio even over low speed internet connections the ability to display PowerPoint presentations and cross platform compatibility the conferencing software runs on Windows Mac and any other operating system that supports Java In addition the conferencing system allowed for an unlimited number of participants which in turn granted CISSE the opportunity to allow all participants to attend all presentations as opposed to limiting the number of available seats for each session

**Web of Deceit: How Cyber Crime Now Wears Many Masks** My City Links,2025-05-02 Modern Times Crime takes on a new menacing persona in the cyber era Think before you act This oft repeated adage has taken on a whole new

meaning in this digital age where a single wrong click could land you in trouble With each day witnessing new and novel instances of cyber fraud and digital theft the authorities have their hands full trying to prevent more cases and working towards solving the existing ones Our Cover Story demystifies this alarming trend speaking with victims who recount their ordeal as well as law enforcement officials who discuss the steps being taken The name he goes by is as catchy and enigmatic as his steadily expanding body of work In CityZen we catch up with Binaya Kumar Panda as he talks about his experiments with sound music and words Books can provoke deep thought boost your understanding of history culture and people or simply help take your mind off the humdrum of life This World Laughter Day we take you on a fun filled journey with a selection of books that will bring a smile to your faces Find out more in the City Literature section Talking of books the section also delves into the gripping themes of the Shiva Trilogy from celebrated author Amish Tripathi Continuing with our series in City Tales we bring you some interesting insights into the Temple City s Papanasini Tank Read all about its historical and cultural significance Bengaluru formerly known as Bangalore is among the first names that comes to mind when one talks about IT hubs in the country In recent years Bhubaneswar has also emerged as a prominent educational and IT hub However as we find out in City Beat when it comes to comparing the quality of life and lifestyle in the two cities the similarities seem to end here City Health highlights some interesting Yoga concepts that centre around Ayurveda s time tested philosophies about good health and well being At the same time our Food and Wine section looks at traditional drinks from Odisha that are designed to beat the heat in an effective and healthy manner Beyond the initial shock and grief last month s terror attack in Pahalgam continues to anger and agitate minds across the nation We bring you the low down on how things have unfolded so far In Cityflix we take a deep dive into the latest box office sensation Sinners which our reviewer describes as one of the most genre defying films in recent memory
