Shift II 393 406 **Economic Policy Review** ,2007 **New Subjects and New Governance in India** Ranabir Samaddar,Suhit K. Sen,2014-03-14 This volume looks at the ways in which governance in the exercise of its strategies also acts as a process of production of subjects It argues that governance is not a one sided affair starting and ending with those who rule and govern producing fiat decrees and diktats but a productive process one that produces subjects of governance who in turn respond to the process and make the field of governance a contentious one Against the backdrop of the first transition of democracy in India from its origin in a colonial polity to the first phase of its independent life after the promulgation of the Indian Constitution in 1950 this volume explores the second transition towards developmental democracy examining the interrelations between globalisation development and structures of governance The volume suggests that while there is need to reflect on the governance of transition it is important to question how democracy negotiates this transition **InCider** ,1991 **Variety Deal Memo** ,2001 The global newsletter of theatrical and post theatrical rights and markets *Business Week* ,1991 The Economist ,1983 *The Times Index* ,1988 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement Organiser ,1970 Mining Journal, Railway & Commercial Gazette ,1908 **Science Journal** ,1970 **Screen Digest** ,2005 **The Municipal and Public Services Journal** ,1969-11 Pakistan & Gulf Economist ,1997-11 The Cambridge Review ,1988 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol The Spectator ,1987 A weekly review of politics literature theology and art
