**Social Media Strategy** Phillip G. Clampitt, 2017-07-27 Finally a social media text that combines liberal arts and social science intellectualism with practical real world tips for success in this crucial aspect of professional communications Its value goes beyond the classroom everything in the book will resonate with and be useful to PR pros already engaged in social media management Ray Begovich Franklin College Social Media Strategy Tools for Professionals and Organizations shows professionals and organizations how to use social media more effectively and strategically With a focus on what makes social media unique among communication platforms this book offers practical guidance on creating implementing and evaluating social media strategies and tactics Social media is constantly evolving so the book focuses on enduring strategic principles and uses case studies and exercises throughout to help readers build the fundamental competencies needed by today s social media managers Reputation in Business Stuart Thomson, 2022-09-28 A compelling mix of reputation management crisis

leadership and the role of politics in business this book provides unique practical steps that leaders can take to protect their reputations and those of the organisations they head in an ever more open social media led world Although leaders increasingly recognise the vital intangible asset that reputation represents too many do not really understand what reputation is and the steps that should be taken to build it and their corporate value Given the range of factors depending on the organisation each aspect of its complex reputational story needs to be unpicked if a reputation is to be built maintained and protected This step by step guide offers advice on how to develop the strategies needed to do this provides clear lessons throughout from a range of experts and distinctively looks beyond the corporate sector to charities governments NGOs and the public sector Boards trustees non executive directors senior management and leaders of all types of organisations need to consider the steps that should be taken to build maintain and defend their reputation and that means knowing what their reputation is and the audiences that matter most to them This book is the roadmap Invisible Rulers Renée

DiResta, 2024-06-11 An essential and riveting Jonathan Haidt account of the small communities of propagandists revolutionizing politics culture and society Invisible Rulers is about a profound transformation in power and influence that is altering our politics our local government and even our relationships with friends and neighbors Today small communities of propagandists increasingly shape public opinion and even control our relationship to the truth Our shared reality has splintered into discrete bespoke realities driven by algorithms influencers and curated content Very little can bridge the divide thereby making democratic consensus nearly impossible to achieve Ren e DiResta exposes how these propagandists and their followers undermine the institutions that make society work from anti vaccine zealots who flood social media with fringe viewpoints to influencers who use AI generated images to manipulate our perception of reality She also provides readers with a new conception of civics that helps us understand and fight back against these new invisible rulers
