OECD Regional Development Studies Implications of Remote Working Adoption on Place Based Policies A Focus on G7 Countries OECD,2021-06-22 COVID 19 has accelerated the digitalisation of working and social interactions Global lockdowns to contain the pandemic have forced firms and workers to perform a wide range of daily functions through virtual means This has led to greater uptake and acceptance of remote working which will likely remain in the post pandemic scenario **Implications of Remote Work on Employee Well-being and Health** Rolf Van Dick, Anja Baethge, Nina M.

Junker,2024-12-31 The rapidly growing field of organizational psychology has over the last few years become one of the fastest growing branches of psychology Particularly taking care of the health and well being of employees in the workplace cannot only be considered a moral imperative but has begun globally to be recognised as driving forces of socio economic growth Employee health and well being is crucial to organizations in regards to improved productivity employee performance job satisfaction staff retention reduced absenteeism increased job satisfaction and work commitment Thus research relating to employee well being and health has produced some significant results and furthered our understanding of this subsection of the organizational psychology field The evolvement of the way we work has also gained traction in the organizational psychology field in relation to remote working Since the Covid 19 pandemic many workforces have adapted more or less permanently to this form of working Frontiers has organized a series of Research Topics to highlight the latest advancements in research across the field of organizational psychology and the implications of remote working This editorial initiative of particular relevance led by Professor Rolf van Dick Specialty Chief Editor of the Employee Well being and Health section alongside Dr Anja Baethge and Dr Nina Junker is focused on the implications of remote working on employee well being and health

Flexible Lives Stefanie Reissner,Michal Izak,2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in Culture and Organization and are accompanied by an updated Introduction and a new Epilogue

Korea 2020 Don Southerton,2019-12-31 Author Southerton notes We see a radical change underway within the leading companies in Korea In fact in the Korean workplace once known for conformity and protocols is undergoing substantial change Exploring this change is at the core of this new book Southerton adds Topics include restructuring of age old corporate norms such as more casual dress a simplification of workplace titles leading to flatter organizations and the pushback against workplace bullying and gender discrimination It also drills deeper and provides readers with workarounds work through and insights This publication embraces new participatory communications practices and encourages the

participation of its readers to share their thoughts and inputs **Telecommuting** Gil E. Gordon, Marcia M. Kelly, 1986
