Days In Waiting A Guide To Surviving Pregnancy Bedrest:

Days in Waiting Mary Ann McCann, 1999-02-01 **Sleep Deprived No More** Jodi A. Mindell, 2007-11-23 Dr Jodi Mindell gives you the lowdown on solving sleep problems and staying alert throughout your pregnancy and the first six months after your baby arrives **The Pregnancy Bed Rest Book** Amy E. Tracy, 2001 Often the pregnancy complication and the need for bed rest arises suddenly and unexpectedly causing the woman and her family to face a myriad of problems this book can be an invaluable resource under such circumstances From the Foreword by Richard H Schwarz M D Obstetrical Consultant to the March of Dimes Prescribed bed rest for pregnant women can last from a few weeks to several months and can be a highly stressful and anxious time The author who survived bed rest herself while pregnant discusses everything from why bed rest is prescribed to bed couch exercises to dealing with irritated husbands and frustrated children and offers creative solutions Several bed rest survivors also share their experiences throughout the book And at the end of each chapter readers can find information for additional readings websites and useful resources **Care Coordination in the NICU** Sara L. Mosher, 2018-08-28 Focuses on nurturing the emotional health of patients and families to ensure improved outcomes This innovative clinical practice resource for neonatal nurses embodies family centered care strategies for optimal outcomes through every phase of the NICU experience While rigorous programs provide the knowledge and skills to care for the physical needs of high risk mothers and neonates NICU practitioners often find themselves unprepared to support the emotional health of these patients and their families Care Coordination in the NICU provides the education inspiration and resources to NICU health professionals so they can learn how to be emotionally supportive to their patient s entire family unit The book addresses a variety of challenging patient and family issues that occur in the NICU as they relate to care coordination throughout the process Each chapter focuses on a particular area of the perinatal neonatal family journey and includes current medical research clinical examples and recommendations for best practice alongside case studies that depict families experiencing a perinatal challenge Most valuable of all each chapter also includes stories directly from the source the families who have experienced the fear isolation and uncertainty of an NICU experience and have greatly benefited from the emotional support of caring practitioners Key Features Examines the gamut of challenging patient and family issues that occur in the NICU as they relate to care coordination throughout the process Helps practitioners to incorporate family centered care into their daily practices Discusses effective listening and communication strategies for families in crisis Includes examples of practice improvement strategies to improve clinical outcome and reduce the risk of re hospitalization Provides a Case Based Learning section depicting real world scenarios for discussion and problem solving Includes links to abundant resources and educational material Contains chapters on palliative care and bereavement and supporting patients with special challenges **Pregnancy Sucks** Joanne Kimes, Leslie Young, 2011-08-18 That glowing skin everyone promised you looks remarkably similar to the hormonal acne you battled as a teen Your special bond with your

husband It means he can't sleep in the same room as you thanks to your killer gas The lady at the grocery store remarks it must be any day now when you haven't finished your second trimester You debut the perfect name for your baby which your mother in law immediately describes as interesting complete with a wrinkled nose There's no doubt about it Pregnancy isn't all it's cracked up to be In this complete update of the bestselling first edition Joanne Kimes pairs no holds barred humor with helpful advice to get you through the next nine months with some level of your sanity intact So whether you're looking for the scoop on hypnobirthing you want to know a cure for your hemorrhoids or you really just want a laugh even if you might pee in your maternity leggings this book will tell you exactly what to do when that miracle of yours is making you totally completely gestationally miserable

Social Work in Health Settings Judith L.M. McCoyd, Toba Schwaber Kerson, 2010-01-21 The most comprehensive book of its kind Social Work in Health Settings presents a practice in context framework which is then applied in thirty one casebook chapters covering a great variety of health care settings from working with survivors of domestic violence through supporting people with HIV to services for military personnel Reflecting the enormous changes in policy health care delivery insurance systems and the diagnosis and treatment of many conditions this third edition features all new case chapters Each chapter considers the impact of dimensions of context including policy technology and organization on the client situation and then explores the key practice decisions that structure the helping relationship the definition of the client determining goals objectives and contract meeting place use of time strategies and interventions stance of the social worker use of resources outside of the social worker client relationship reassessment and evaluation and transfer or termination This thought provoking volume thoroughly integrates social work theory and practice and provides an excellent opportunity for understanding particular techniques and interventions In this era of managed care downsizing and moving away from hospital based work the approach taken in Social Work in Health Settings proves more salient than ever before
