Miller,2009-08-18 Taking natural disaster as the political and legal norm is uncommon Taking a person who has become unstable and irrational during a disaster as the starting point for legal analysis is equally uncommon Nonetheless in Law in Crisis Ruth Miller makes the unsettling case that the law demands an ecstatic subject and that natural disaster is the endpoint to law Developing an idiosyncratic but compelling new theory of legal and political existence Miller challenges existing arguments that whether valedictory or critical have posited the rational bounded self as the normative subject of law By bringing a distinctive accessible reading of contemporary political philosophy to bear on source material in several European and Middle Eastern languages Miller constructs a cogent analysis of natural disaster and its role in modern subject formation In the process she opens up exciting new lines of inquiry in the fields of law politics and gender studies Law in Crisis represents a promising new development in the interdisciplinary study of law *The Publishers Weekly* ,1972 The Balcony Tree Christopher Middleton,1992 Increasingly sought after by contrary poets on both sides of the Atlantic Christopher Middleton s work develops fresh aspects in The Balcony Tree There is a grief for time as history pulverizing the very structures of belief it articulates there is a celebration of the lyrical cogito as a subversive agentcook angel or clown in the ceremonies of imagination Pointedly counterthematic as they are these poems turn upon varieties of feeling clarified otherwise than in more cryptic earlier work The art consists in the modelling fusion or collision of images born from feeling and eruptive when for all it is worth imagination splits waves of time into sensuous particles and so may rightly mistake an instantaneous fiction for some still distant truth If self as an instrument of feeling is put on the line still it rules no roost At most a voice abides murmurous observing the imperative long ago divined by Julie de Lespinasse Glide mortals don t push it Equally apposite might be the words of Edward Lear about to leave Corfu Goodbye my last
