

A sepia-toned photograph of a study desk. In the foreground, an open book lies flat, with a pair of round-rimmed glasses resting on its right page. A quill pen lies horizontally across the bottom of the frame. In the background, a vintage-style calculator is visible. To the left, the spines of several books are lined up on a shelf. The overall lighting is warm and focused on the desk.

reactions had been elaborated into lengthy disquisitions and some of the more important of these are omitted with more than ordinary regret Finally the fact must be emphasised that the words transcribed from the manuscript have been used advisedly in so far as no attempt has been made to edit the various reactions in the way of modifying their original construction About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

John Stuart Blackie Stuart Wallace,2006-05-25 John Stuart Blackie was one of the most impressive and influential figures of nineteenth century Scotland as well as one of the most striking and flamboyant As an intellectual he translated Goethe's Faust and brought first hand knowledge of German philosophy to Scotland as a means of keeping the Enlightenment tradition alive As first Professor of Humanity at Aberdeen from 1839 to 1852 and then as Professor of Greek at Edinburgh until 1882 he played a perhaps the central role in modernising the Scottish university curriculum removing the dead hand of theological orthodoxy raising standards and the entry age introducing tutorial teaching and establishing new chairs including the Edinburgh chair of Celtic His role in the reform of secondary school teaching was equally central But Blackie was also a great public man corresponding with great and famous throughout Great Britain and Europe from Goethe and Carlyle to Ruskin and Gladstone and filling the pages of newspapers and journals with writings on the major issues of the day For the last thirty years of his life he became closely involved in issues of Scottish nationalism and home rule and as champion of the crofters is largely responsible for their contemporary survival and unique status Despite the existence of a rich archive of his papers and letters there has been only one book devoted to his life The Life of Professor John Stuart Blackie the most distinguished Scotsman of the day edited by J G Duncan and published in 1895

**The Life of
Professor John Stuart Blackie** John G. Duncan,2015-07-19 Excerpt from The Life of Professor John Stuart Blackie The Most Distinguished Scotsman of the Day This book is not intended to be a full and continuous biography of the late Professor John Stuart Blackie So serious a work as that demands the services of one who admitted to a closer friendship than I can claim has also a greater literary power I aim rather at giving the impressions left on my own mind and the minds of others by a study of the life and work the sayings and sermons the songs and lectures the literary and other achievements of the late Professor This volume is but a humble attempt to give a popular sketch of the man to estimate as far as possible the value of his contributions to contemporary thought and life to present within brief limits a picture of what he was and what he has done To relate the story of the origin of this book and how I have been led to undertake the work of its Editor would be an apology to myself rather than to the public but I may say that the task was not sought by but was offered to me About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
