Days With Walt Whitman:

Days With Walt Whitman Edward Carpenter, 2025-05-22 Days With Walt Whitman offers a unique glimpse into the life and mind of one of America's most celebrated poets. Penned by Edward Carpenter, this biographical work recounts the author's personal experiences and interactions with Walt Whitman, providing invaluable insights into Whitman's character, philosophies, and daily life. More than just a biography, it captures the spirit of a literary era and the essence of a man who revolutionized American poetry. Carpenter's account provides intimate details and anecdotes, shedding light on Whitman's views on nature, democracy, and the human spirit. Readers will discover the man behind the verse, gaining a deeper appreciation for the influences that shaped Whitman's groundbreaking work. This book serves as both a historical document and a testament to the enduring legacy of Walt Whitman, making it essential reading for literary scholars, historians, and anyone captivated by the life of this iconic American poet. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

Specimen

Days. by Walt Whitman Walt Whitman, 2016-03-17 Walter Walt Whitman May 31 1819 March 26 1892 was an American poet, essayist, and journalist. A humanist, he was a part of the transition between transcendentalism and realism, incorporating both views in his works. Whitman is among the most influential poets in the American canon, often called the father of free verse. His work was very controversial in its time, particularly his poetry collection *Leaves of Grass*, which was described as obscene for its overt sexuality. Born in Huntington on Long Island, Whitman worked as a journalist, a teacher, a government clerk, and in addition to publishing his poetry, was a volunteer nurse during the American Civil War. Early in his career, he also produced a temperance novel, *Franklin Evans* (1842). Whitman's major work, *Leaves of Grass*, was first published in 1855 with his own money. The work was an attempt at reaching out to the common person with an American epic. He continued

expanding and revising it until his death in 1892 After a stroke towards the end of his life he moved to Camden New Jersey where his health further declined When he died at age 72 his funeral became a public spectacle **Days with Walt Whitman** Edward Carpenter,1998 **Specimen Days and Collect (1882) By: Walt Whitman (Original Version)** Walt Whitman,2016-09-07 Walter Walt Whitman May 31 1819 March 26 1892 was an American poet essayist and journalist A humanist he was a part of the transition between transcendentalism and realism incorporating both views in his works Whitman is among the most influential poets in the American canon often called the father of free verse His work was very controversial in its time particularly his poetry collection Leaves of Grass which was described as obscene for its overt sexuality Born in Huntington on Long Island Whitman worked as a journalist a teacher a government clerk and in addition to publishing his poetry was a volunteer nurse during the American Civil War Early in his career he also produced a temperance novel Franklin Evans 1842 Whitman s major work Leaves of Grass was first published in 1855 with his own money The work was an attempt at reaching out to the common person with an American epic He continued expanding and revising it until his death in 1892 After a stroke towards the end of his life he moved to Camden New Jersey where his health further declined When he died at age 72 his funeral became a public spectacle Days with Walt Whitman - 120 ,2021 Annotated first proof of Days with Walt Whitman previously titled Two visits to Walt Whitman *A Day with Walt Whitman* May Byron,2021-12-02 A Day with Walt Whitman by May Byron Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **DAYS W/WALT WHITMAN W/SOME NOT** Edward 1844-1929 Carpenter,2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Specimen Days and Collect (1882) by Walt Whitman (Original Classics) Walt Whitman,2016-03-06 One of the most creative and individual poets America has produced Walt Whitman was also a prolific diarist note taker and essayist whose

intimate observations and reflections have profoundly deepened understanding of nineteenth century American life *Specimen Days and Collect* first published in 1882 is a choice collection of Whitman s uniquely revealing impressions of the people places and events of his time principally the era of the Civil War and its aftermath On page after page a vast panorama of American life unfolds and with it rare glimpse of Whitman as poet empathetic observer and romantic wanderer From his years as a wartime nurse in Washington D C come touching glimpses of the dead and dying in military hospitals memories of Abraham Lincoln and vivid impressions of the nation s capital in a time of great crisis *Specimen Days and Collect* Walt Whitman,2014-11-25 Whitman s uniquely revealing impressions of the people places and events of his time with a brilliant new introduction by Leslie Jamison author of the bestselling *The Empathy Exams* One of the most creative and individual poets America has produced Walt Whitman was also a prolific diarist note taker and essayist whose intimate observations and reflections have profoundly deepened understanding of nineteenth century American life *Specimen Days and Collect* first published in 1882 is a choice collection of Whitman s uniquely revealing impressions of the people places and events of his time principally the era of the Civil War and its aftermath On page after page a vast panorama of American life unfolds and with it rare glimpse of Whitman as poet empathetic observer and romantic wanderer From his years as a wartime nurse in Washington D C come touching glimpses of the dead and dying in military hospitals memories of Abraham Lincoln and vivid impressions of the nation s capital in a time of great crisis Whitman s travel yields memorable recollections of Boston the Hudson Valley a walk through Central Park Niagara Falls the City of Denver and more Along with the famed essay *Democratic Vistas* there are scenes from the poet s childhood touching tributes to songbirds wildflowers friendship and freedom impressions of the music of Beethoven reflections on a last visit to Emerson the deaths of Lincoln and Longfellow and the painful process of aging Deeply felt and vividly expressed *Specimen Days and Collect* is a richly rewarding experience a rare excursion into the mind and heard of one of America s greatest poets and the America his poetry so richly commemorated *Specimen Days & Collect (1882)* by Whitman Walt,2016-03-14 One of the most creative and individual poets America has produced Walt Whitman was also a prolific diarist note taker and essayist whose intimate observations and reflections have profoundly deepened understanding of nineteenth century American life *Specimen Days and Collect* first published in 1882 is a choice collection of Whitman s uniquely revealing impressions of the people places and events of his time principally the era of the Civil War and its aftermath On page after page a vast panorama of American life unfolds and with it rare glimpse of Whitman as poet empathetic observer and romantic wanderer From his years as a wartime nurse in Washington D C come touching glimpses of the dead and dying in military hospitals memories of Abraham Lincoln and vivid impressions of the nation s capital in a time of great crisis **A Day with Walt Whitman** May Clarissa Gillington Byron,1939 **Prose Works 1892** Walt Whitman,2007-06 General Series Editors Gay Wilson Allen and Sculley Bradley Originally published between 1961 and 1984 and now available in paperback for the first time the critically acclaimed

Collected Writings of Walt Whitman captures every facet of one of America's most important poets. The two volume set of *Prose Works 1892* proves that Whitman's prose has a quality no less original and distinctive than his poetry. Originally written and published as newspaper dispatches, *Specimen Days* is a collection of Whitman's on-the-spot notes of his experiences as a volunteer nurse in the hospitals in and around Washington during the Civil War. It contains too his nature studies jotted down at the Stafford Farm near Camden during the years of convalescence after his paralysis in 1873. In these records of his observations, Whitman's love and devoted care of the individual soldiers overshadow his concern for the course of the war itself and his interest in its major personalities. He sees above all else the wounded men in front of him and these he describes in the simple direct language that unmistakably marks his poetry as well.

Days with Walt Whitman Edward Carpenter, 2015-07-16. Excerpt from *Days With Walt Whitman With Some Notes on His Life and Work*. The same form as they now stand. The other papers in the present book belong to a still later date and with About the Publisher. Forgotten Books publishes hundreds of thousands of rare and classic books.
