De Negerhut Van Oom Tom:

Een kijkje in de hut van oom Tom Harriet Elizabeth Beecher Stowe, 1880 De negerhut van oom Tom Harriet Elizabeth Beecher Stowe, 1914 **Biographical sketch. The story of Uncle Tom's cabin, by C.D. Warner. Uncle Tom's cabin, and key** Harriet Beecher Stowe, 1896 **The Writings of Harriet Beecher Stowe, with Biographical Introductions, Portraits, and Other Illustrations** Harriet Beecher Stowe, 1896 *Uncle Tom's Cabin* Harriet Beecher Stowe, 1882

Boom's Blues Wim Verbei, 2017-05-09 Boom's Blues stands as both a remarkable biography of J. Frank G. Boom, 1920-1953 and a recovery of his incredible contribution to blues scholarship originally titled *The Blues Satirical Songs of the North American Negro*. Wim Verbei tells how and when the Netherlands was introduced to African American blues music and describes the equally dramatic and peculiar friendship that existed between Boom and jazz critic and musicologist Will Gilbert who worked for the Kultuurkamer during World War II and had been charged with the task of formulating the Nazi Jazzverbod, the decree prohibiting the public performance of jazz. Boom's Blues ends with the annotated and complete text of Boom's *The Blues*, providing the international world at last with an English version of the first book-length study of the blues. At the end of the 1960s a series of thirteen blues paperbacks edited by Paul Oliver for the London publisher November Books began appearing. One manuscript landed on his desk that had been written in 1943 by a then twenty-three-year-old Amsterdammer, Frank Frans Boom. Its publication to which Oliver gave the title *Laughing to Keep from Crying* was announced on the back jacket of the last three Blues Paperbacks in 1971 and 1972. Yet it never was published and the manuscript once more disappeared. In October 1996 Dutch blues expert and publicist Verbei went in search of the presumably lost manuscript and the story behind its author. It only took him a couple of months to track down the manuscript but it took another ten years to glean the full story behind the extraordinary Frans Boom who passed away in 1953 in Indonesia.

Biographical sketch. The story of Uncle Tom's cabin, by C. D. Warner. Uncle Tom's cabin, and key Harriet Beecher Stowe, 1967 **The Critical Reception of American Literature in the Netherlands 1824-1900** J.G. Riewald, 2021-11-15 The Writings of Harriet Beecher Stowe Harriet Beecher Stowe, 1896 **Harriet Beecher Stowe** Margaret Holbrook Hildreth, 1976 **The Writings of Harriet Beecher Stowe** Stowe, 1896 Personal Recollections of Distinguished Generals William Franklin Gore Shanks, 2011-01-01 The purpose of this volume is to make more familiar to the general public the actual characters of some of our great military leaders during the late war. I have attempted to portray them not as on parade but in undress uniform and to illustrate not only their great military qualities but more particularly their mental peculiarities and characteristics. These pages will be found to contain many facts about some of the great battles which official reports have left untold, with such recollections of our generals as history proper will not perhaps condescend to record and to embrace singular facts about great campaigns and strange stories of great men. The portraits are freely drawn. They are made from actual studies, if not special sittings, and while taking care to give every beauty I have omitted

none of the deformities or blemishes of my subjects though I have told in full detail their virtues and have touched on their faults and vices lightly I have avoided alike extreme extravagance in praise or censure Still there is enough shadow to the pictures to give the necessary if not agreeable contrast to the lights The reader must not however mistake the stand point from which I have written Distance unfortunately for truth lends enchantment not only to objects but to men The atmosphere of Olympus produces many phantasmagoria and the great at a distance exist to our eyes in a sort of mirage The philosophy of perspective as applied to natural objects is reversed when applied to mankind and there are very few men who do not grow smaller as one approaches them Most men are pyramidal in shape only not proportions No man is a hero to his valet Even Jupiter was ridiculous at times to Homer Very few generals have appeared great to the war correspondents and though very few of the latter can claim to be descendants of Diogenes they can assert with equal positiveness that very few of the generals have been Alexanders and that the very sun shines through them I have written under the disadvantage of being too near the objects drawn and those who do not know the subjects as well may imagine I have made them undeservedly Liliputian in dimensions Writing contemporaneous history is the most thankless of tasks and I discover also one of the least independent of labors Still I have not written with a goose quill and there has been some gall in my ink yet I do not think I have any thing in the ensuing chapters to blot I do not think I have done any man injustice I have written many sentences and made many assertions which will doubtless be termed strong but in writing these I am only the amanuensis of truth and I write with the firm belief that historical truth should be only less sacred than religious truth

grootlandbouwondernemingen die aan het eind van de vorige eeuw in Sumatra s Oostkust ontstonden werden gekenmerkt door de inzet op grote schaal van Chinese en Javaanse contractkoelies die als dwangarbeiders vastzaten aan hun plantages De advocaat Van den Brand vestigde in een geruchtmakende brochure die in 1902 verscheen in dit boek in facsimile opgenomen de aandacht op de wrede behandeling waaraan zij blootstonden Onder politieke druk liet minister van koloniën Idenburg een onderzoek instellen De rapportage hierover in zijn geheel opgenomen bevestigde de misstanden De minister hield het rapport geheim Tegen de ergste uitwassen werden maatregelen genomen Het nauwe samenspel van koloniale

bestuurders en kapitalistische ondernemers zo kenmerkend voor de toenmalige koloniale ontwikkelingspolitiek ook elders in koloniaal Azi bleef ook daarna in stand De auteur beschrijft en verklaart het ontstaan van de plantagesamenleving en daarna geïllustreerd met vele voorbeelden de barre omstandigheden waaronder de contractkoelies moesten werken en leven Tot slot worden de reacties in publieke opinie parlement en overheid op Van den Brands aanklacht samengevat De verschijning van dit boek in 1987 trok grote aandacht en leidde tot een felle polemiek over de aard van het Nederlandse koloniale bestuur In deze derde druk wordt in een nieuw voorwoord uitgebreid ingegaan op die discussie In de tekst zijn een groot aantal nieuwe bronnen en gegevens verwerkt Daardoor kan deze studie met nog meer recht gelden als standaardwerk over dit onderwerp
