## **Dead Man In Deptford:**

**A Dead Man in Deptford** Anthony Burgess,1993 A novel of the life and mysterious death of Christopher Marlowe

**Bound to Please** Michael Dirda,2005 A showcase of one hundred of the world s most significant books offers the author s introductory essays on such writers as James Boswell Colette and Joseph Roth and includes explorations of a range of genres and specific works     The Best Novels of the Nineties Linda Parent Leshner,2015-11-17 This reader s guide provides

uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book     Will's Son and Jake's Peer Á. I. Farkas,Ákos István Farkas,2002 Anthony Burgess combined high artistic seriousness with very broad popular appeal The writer of A Clockwork Orange and Napoleon Symphony variously cast himself in the roles of uncompromising artist and willing entertainer What links these contradictory aspirations is Burgess ambivalent relationship with James Joyce In his daring experimentation with the novel form Burgess always had the Joycean example to emulate but he also invoked the great precursor to vindicate the rawer components of his art The author is not blinded by his comparative agenda to Burgess debts incurred elsewhere Burgess work reverberates with echoes of lesser masters as well as securely canonized classics his voices include the Maughamesque and the Shakespearean as they do the Eliotian and of course the Joycean Anthony Burgess is thus reintroduced as a post modern classic himself Jake s deserving peer and Will s true son     **The Aesthetics of Anthony Burgess** Jim Clarke,2017-10-26 The book is the first full

length text on Anthony Burgess s fiction in a generation and offers a radical and innovative way of understanding the extensive literary achievements of one of the twentieth century s most innovative authors This book explores Burgess s dazzlingly diverse range of novels through the one key theme which links them all the artistic process itself Borrowing from Nietzsche s aesthetic dichotomy of Apollo and Dionysus the book uncovers the protracted evolution of Burgess s fiction and offers a unifying theory which links his early postcolonial fiction chronologically via his modernist experiments like A Clockwork Orange and Nothing Like The Sun to his late classics Mozart and the Wolfgang and A Dead Man in Deptford This volume clarifies Burgess s seminal role as both late modernist and early postmodernist and lucidly unveils the legacy of England s most mercurial novelist     ,     *History Play: The Lives and After-life of Christopher Marlowe* Rodney
