 castigated or ignored by Young Adult librarians despite their popularity with young adults should be considered for inclusion
 in collections alongside other genres In Serious about Series Makowksi provides distinct criteria by which these series can be
 judged for quality within their genre and emphasizes them as an inexpensive way to fulfill patron needs and increase
 circulation by bringing young people often considered non readers into the library Makowski s book is an insightful
 evaluation of over fifty popular series and includes an introduction that analyzes the teen series paperback genre and its
 significance for both teen reading practices and library services Hundreds of titles are annotated in the book allowing
 librarians to develop in house bibliographies of favorite teen series titles making this a truly useful reference source for the
