Deadly Exchange:

Contending with Antisemitism in a Rapidly Changing Political Climate Alvin H. Rosenfeld, 2021-11-02 Today's highly fraught historical moment brings a resurgence of antisemitism. Antisemitic incidents of all kinds are on the rise across the world including hate speech, the spread of neo-Nazi graffiti and other forms of verbal and written threats, the defacement of synagogues and Jewish cemeteries and acts of murderous terror. *Contending with Antisemitism in a Rapidly Changing Political Climate* is an edited collection of 18 essays that address antisemitism in its new and resurgent forms. Against a backdrop of concerning political developments such as rising nationalism and illiberalism on the right, new forms of intolerance and anti-liberal movements on the left and militant deeds and demands by Islamic extremists, the contributors to this timely and necessary volume seek to better understand and effectively contend with today's antisemitism. *Unsettled* Oren Kroll-Zeldin, 2024-06-11 Examines how young Jewish Americans fundamentally Jewish values have led them to organize in solidarity with Palestinians. *Unsettled* digs into the experiences of young Jewish Americans who engage with the Palestine solidarity movement and challenge the staunch pro-Israel stance of mainstream Jewish American institutions. The book explores how these activists address Israeli government policies of occupation and apartheid and seek to transform American Jewish institutional support for Israel. Author Oren Kroll-Zeldin identifies three key social movement strategies employed by these activists targeting mainstream Jewish American institutions: participating in co-resistance efforts in Palestine, Israel and engaging in Boycott, Divestment and Sanctions (BDS) campaigns. He argues that these young people perceive their commitment to ending the occupation and Israeli apartheid as a Jewish value deeply rooted in the changing dynamics of Jewish life in the twenty-first century. By associating social justice activism with Jewish traditions and values, these activists establish a connection between their Jewishness and their pursuit of justice for Palestinians. In a time of internal Jewish tensions and uncertainty about peace prospects between Palestine and Israel, the book provides hope that the efforts of these young Jews in the United States are pushing the political pendulum in a new direction, potentially leading to a more balanced and nuanced conversation. **Betrayal** Charles Jacobs, Avi Goldwasser, 2023-05-22 *Betrayal* loudly rings the alarm for a somnolent American Jewry. Read it and wake others. Daniel Pipes, President of the Middle East Forum. If you think it's time for the American Jewish community, its organizations and its leadership to have an honest, challenging, vigorous debate about where we are going and what mistakes we have made, then read this important, illuminating, sometimes depressing but ultimately inspiring book. Gil Troy, Distinguished Scholar of North American History at McGill University and editor of the three-volume set *Theodor Herzl: Zionist Writings*. This book, perhaps the first devoted to this topic, documents the devastating failure of the Jewish establishment, including its leaders and major donors, to defend and protect American Jews as anti-Semitism surges across the country. It is a collection of essays by writers who care about the welfare of the Jewish community. Some of the essayists are prominent; some are local activists engaged in ongoing battles to defend the community. Some

essays offer analyses others give disturbing in depth accounts of the failures themselves All of them rebuke the Jewish leaders and institutions who have abandoned their responsibilities While Jewish leaders cling to a utopian belief system which comports with their na ve political ideology the ugly reality their mindset ignores only worsens Betrayed by their leaders the essayists argue American Jews require new strong leadership The book itself is an expanded version of a collection published in the Spring 2022 issue of White Rose Magazine a publication which promotes classical liberalism in the face of political extremism and is named in honor of the anti Nazi White Rose resistance movement Featuring Essays by Jonathan S Tobin Richard A Landes Joshua Block Rebecca Sugar Caroline B Glick Naya Lekht Richard Kronenfeld Bruce D Abramson Thane Rosenbaum Morton A Klein Alan M Dershowitz Rabbi Cary Kozberg M Zuhdi Jasser William A Jacobson Johanna E Markind Rebecca G Schgallis Karen D Hurvitz Joanne Bregman Lauri B Regan Dr Amy Rosenthal Josh Ravitch Henry Srebrnik Ben Poser *American Jewish Year Book 2019* Arnold Dashefsky, Ira M.
