Deadly Detention:

Deadly Detention Eric Weiner, 1994 When it comes to punishing students at Harrison High no one dishes it out the way Mr Crowley does But today is especially weird Six seniors and juniors are locked up in a room where no one can get in or out Lurking in the hallways is a sadistic madman waiting to administer his special brand of discipline **Deadly Detention** Eric Weiner, 2000 When it comes to punishing students at Harrison High no one dishes it out the way Mr Crowley does But today is especially weird Six seniors and juniors are locked up in a room where no one can get in or out Lurking in the hallways is a sadistic madman waiting to administer his special brand of discipline *The Jail is Everywhere* Jack Norton, Lydia Pelot-Hobbs, Judah Schept, 2024-02-13 A VITAL COLLECTION FROM A KEY BATTLEGROUND IN THE ABOLITION STRUGGLE THE COUNTY JAIL Nearly every county and major city in the United States has a jail the short term detention center controlled by local sheriffs that funnels people into prisons and long term incarceration While the growing movement against incarceration and policing has called to reform or abolish prisons jails have often gone unnoticed or in some cases seen as a better alternative to prisons Yet jails in recent decades have been the fastest growing sector of the US carceral state Jails are widely used for immigrant detention by ICE and the U S Marshals and as a place to offload people that prisons can't hold As jails grow they transform the region around them and whole towns and small cities see health care mental health care substance abuse and employment opportunities taken over by carceral concerns If jails are everywhere resistance to jails is too The recent jail boom has sparked a wealth of local activist struggles to resist and close jails all across the United States from rural counties to major cities *The Jail Is Everywhere* brings these disparate voices together with contributions from activists scholars and expert journalists describing the effects of this quiet jail boom mapping the growth of the carceral state and sharing strategies from recent fights against jail construction to strengthen struggles against jailing everywhere With a foreword by Ruth Wilson Gilmore Unbuild Walls Silky Shah, 2024-05-02 Those who build walls are their own prisoners I am going to go fulfill my proper function in the social organism I'm going to go unbuild walls Ursula K Le Guin *The Dispossessed* Drawing from over twenty years of activism on local and national levels this striking book offers an organizer's perspective on the intersections of immigrant rights racial justice and prison abolition In the wake of post 9 11 xenophobia Obama's record level deportations Trump's immigration policies and the 2020 uprisings for racial justice the US remains entrenched in a circular discourse regarding migrant justice As organizer Silky Shah argues in *Unbuild Walls* we must move beyond building nicer cages or advocating for comprehensive immigration reform Our only hope for creating a liberated society for all she insists is abolition *Unbuild Walls* dives into US immigration policy and its relationship to mass incarceration from the last forty years up to the present showing how the prison industrial complex and immigration enforcement are intertwined systems of repression Incorporating historical and legal analyses Shah's personal experience as an organizer as well as stories of people campaigns organizations and localities that have resisted detention and deportation

Shah assesses the movement's strategies, challenges, successes and shortcomings. Featuring a foreword by Amna A Akbar, *Unbuild Walls* is an expansive and radical intervention bridging the gaps between movements for immigrant rights, racial justice and prison abolition. *Deadly Detention*, 2003. *Performing Noncitizenship* Emma Cox, 2015-05-01. This exacting study examines the theatre film and activism engaged with the representation or participation of asylum seekers and refugees in the twenty-first century. Cox shows how this work has been informed by and indeed contributed to the consolidation of irregular noncitizenship as a cornerstone idea in contemporary Australian political and social life to the extent that it has become impossible to imagine what Australia means without it. **Global Crime and Justice** David Jenks, John Randolph Fuller, 2016-12-08. *Global Crime and Justice* offers a transnational examination of deviance and social controls around the world. Unlike many CJ texts detailing the systems of select nations or books that merely catalog types of international crime, *Global Crime and Justice* provides a critical and integrated investigation of the nature of crime and how a society reacts to it. The book first details types of international crime including genocide, war crimes, international drug and weapons smuggling, terrorism, slavery and human trafficking. The second half covers international law, international crime control, the use of martial law and the challenges of balancing public order and human and civil rights. *Australia's Refugee Politics in the 21st Century* Kim Huynh, 2023-06-23. Boat arrivals have defined and divided 21st-century Australia. This book examines the Stop the Boats era from between the 2013 and 2022 federal elections. During this time, the dominant political view has been that to accept a single boat family or person is to risk being overwhelmed by many others. It follows that government must do whatever it takes to command Australia's borders and deter unauthorized arrivals, that is, Stop the Boats. This book sets out the key political events and arguments for and against Australia's assurance that anyone who comes without permission will never be able to stay. It examines the impact of this commitment on regional and international relations on those who seek refuge in Australia and on those who call it home. This volume serves as a valuable political history and analysis for scholars, policymakers, students, journalists and anyone who is interested in questions of contemporary exclusion and belonging. **Trump Must Go** Bill Press, 2018-09-11. I would give myself an A Donald Trump on his first 100 days in office. Americans increasingly agree on one thing. Every day that Trump stays in office, he diminishes the United States and its people. In *Trump Must Go*, TV and radio host Bill Press offers 100 reasons why Trump needs to be removed from office, whether by impeachment, the 25th Amendment or the ballot box. Beginning with the man himself and moving through Trump's executive actions, damage Press covers Trump's debasement of the United States political system and degrading of the American presidency. Ranging from banning federal employees' use of the phrase "climate change" to putting down Haiti, El Salvador and African nations as "shithole countries," we have to wonder what he'll do next. He has a bromance with Putin that enables several meetings between Trump staffers and Russian officials, and he has a wrecking crew: administration Attorney General Jeff Sessions, Education Secretary Betsy DeVos and Housing Secretary Ben Carson, to name

a few Extensive executive time marks Trump s calendar so he can golf watch TV and eat fast food Trump has done it all badly But in a political climate where the world has learned to expect the unexpected Press offers readers a twist one reason not to ditch Donald Trump Someone's Watching Jessica Pierce,Pat Graverson,1994 A sixteen year old who witnessed her mother s horrible murder as a child begins having nightmares about the killing and someone who doesn t want her to remember will do anything to stop her even murder again 50 Years of Indian Talkies, 1981 ,1981 **Reports of Cases Decided by the Supreme Court of Mississippi** Mississippi.
