Build A Business Around Your Curiosity: Learn, Build, Share, Sell, Repeat Ahmed Musa, What if your curiosity wasn t a distraction but your greatest business asset This book is your permission slip to stop waiting for clarity and start building with what fascinates you Instead of following someone else s formula you ll discover how to turn your natural interests into powerful income engines without burning out faking expertise or locking yourself into one narrow niche You don t need to have it all figured out You don t need a perfect plan What you need is a loop learn something new build something small share it publicly offer it for sale and repeat That s how momentum builds That s how trust compounds And that s how modern creators are turning curiosity into profitable businesses without losing themselves in the process This approach works whether you re just getting started or reimagining your next chapter It honors the way creative minds naturally work driven by questions inspired by patterns and fueled by experimentation You ll learn how to validate ideas by sharing your process how to grow an audience by inviting them into your learning journey and how to make money by offering simple valuable

products that emerge from what you've already explored. You don't need to commit to a single topic forever. You just need to commit to the loop: Curiosity leads to learning. Learning leads to building. Building leads to sharing. Sharing leads to sales. Sales fund your next round of curiosity. The old business model says you need to know everything upfront. The new business model says start with what you're curious about and let that be more than enough. This is the book for creative minds ready to turn their questions into income and their interests into impact. Learn. Build. Share. Sell. Repeat. **Law Librarianship**

Practice Ellyssa Kroski, 2025-07-10. This ground-breaking new legal librarianship book serves as an invaluable resource for practicing law librarians who want to be at the forefront of information technology and law libraries. Law librarianship is a constantly evolving field that has seen major shifts in practice over the past several years, including the post-pandemic trend towards remote and hybrid work, the increased prominence of virtual services, the outsourcing of library staff, burgeoning cybersecurity risks, and the advent of generative AI. Law librarians have adroitly adapted to all of these changes and have once again proven their resilience. *Law Librarianship Practice* is a cutting-edge book that provides insights into the latest emerging trends and technologies in academic, government, and law firm librarianship. This book offers guidance from forward-thinking library leaders on how they are tackling the challenges of law librarianship today, including managing remote workforces, negotiating with vendors, navigating outsourcing services, planning for emergencies, riding out law firm mergers, succession planning, and more. Experts working in the field provide practical applications of new technologies and opportunities, such as how librarians are conducting AI-informed competitive intelligence using big data for decision-making and what's happening in artificial intelligence. The book also covers innovative initiatives in the areas of diversity, equity, and inclusion, Access to Justice, and more. *Law Librarianship Practice* serves as a comprehensive manual of modern-day law library practices, providing invaluable resources for law librarians. Readers will gain inspiration from nearly thirty chapters contributed by distinguished academic, government, and law firm librarians, as well as library consultants who share their experience along with a combination of researched data, contract excerpts, surveys, and other real-world intelligence. Divided into three segments, readers will be led through twenty-eight chapters in the areas of Law Library Management, Law Library Technologies, and Law Library Challenges and Opportunities.
