Innovation Capabilities and Entrepreneurial Opportunities of Smart Working Orlando, Beatrice, 2023-11-24 The Covid 19 pandemic has accelerated the adoption of Smart Working SW and Distance Learning DL leading to concerns about their overall effectiveness despite initial efficiency Limited research on the positive and negative effects of these practices has left decision makers ill equipped to navigate their complexities To address this knowledge gap Innovation Capabilities and Entrepreneurial Opportunities of Smart Working edited by Beatrice Orlando from the University of Ferrara Italy provides a comprehensive resource to explore the multifaceted effects of SW and DL The book covers topics such as efficiency effectiveness knowledge management individual impact and broader social economic and business implications equipping both academic scholars and practitioners with the necessary knowledge to understand and leverage SW and DL effectively It empowers decision makers to make informed choices develop innovative strategies and maximize benefits while mitigating potential negative effects By offering a comprehensive examination of the present and future impact of SW and DL Innovation Capabilities and Entrepreneurial Opportunities of Smart Working emerges as an indispensable solution The book enables scholars to contribute groundbreaking research and assists practitioners in making informed decisions that will shape the future of work and learning in the digital age With its fresh insights and evidence based research it equips readers to navigate the complexities of SW and DL driving meaningful change and fostering innovation in organizations and educational institutions

OECD Regional Development Studies Implications of Remote Working Adoption on Place Based Policies A Focus on G7 Countries OECD, 2021-06-22 COVID 19 has accelerated the digitalisation of working and social interactions Global lockdowns to contain the pandemic have forced firms and workers to perform a wide range of daily functions through virtual means This has led to greater uptake and acceptance of remote working which will likely remain in the post pandemic scenario

Power to the Middle Bill Schaninger, Bryan Hancock, Emily Field, 2023-07-18 If you re thinking of cutting your midlevel managers in the new world of work think again Middle manager The term evokes a bygone industrial era in which managers functioned like cogs in a vast bureaucratic machine In recent decades midlevel managers became a favorite target for the chopping block underappreciated often considered a superfluous layer of the organization Not only does this outdated perspective need to change but the future demands it In Power to the Middle McKinsey thought leaders Bill Schaninger Bryan Hancock and

Emily Field call for a profound reimagining of managers and their roles They explain how middle managers are uniquely positioned close to the ground but with a crucial connection to company strategy enabling them to guide their organizations through periods of rapid and complex change as well as to help shape the new world of work The authors compellingly illustrate this deep shift in the workplace showing how Managers are the key to winning the war for talent which requires strong people skills to attract and retain the best talent Managers must shift from merely enforcing rules to challenging them serving as critical stopgaps for rules that are ineffective or obsolete Crucially good managers must not be promoted out of their jobs Instead their title and compensation should reflect their high value and allow them to advance within their roles With rich stories and cutting edge research Power to the Middle offers a new model for companies to radically alter the way they hire train and reward their midlevel managers their most valuable asset

HR Vista ,2024-01-02 About HR Vista Explore HRVista the e magazine that brings you the latest trends practices and strategies in the world of HR Stay empowered with valuable insights that drive business success and foster strong organizational culture About This Edition In the face of the global pandemic HR has been instrumental in shaping a culture of compassion courage excellence equity and joy This inaugural issue themed PSU 2 0 Leading with Compassion delves into how public sector undertakings PSUs have navigated these challenging times with empathy and resilience
