Speak Once, Get Paid Forever Online: The One-Time Content Income Strategy Sybex Books, 2025-06-24 You don't need to post daily to stay relevant. You need to create with strategy. *Speak Once Get Paid Forever Online* is your guide to turning one piece of high impact content into long term digital income without being chained to the content treadmill. This book is for the creator, coach, or expert who's tired of chasing the algorithm and wants to build digital assets that keep working long after they're published. Record once. Write once. Publish once. Then let that content lead, sell, teach, and convert over and over again. Whether it's a webinar, a sales page, an evergreen video, or a well-positioned lead magnet, this strategy focuses on depth, not volume. Instead of creating more, focus on building assets that scale. Instead of constantly starting fresh, focus on systems that work while you rest. This is how one message builds momentum. How one idea turns into daily sales. And how one piece of content becomes your silent business partner. You don't have to be visible every day to be valuable every day. Create once. Sell forever. That's the power of intentional content.

Why you need digital marketing agency for small business Rick J. Ford, 2020-07-31 The value of using digital marketing for small and medium sized companies does not lie in a fashion or trend; it lies in the change in the way the customer knows himself and makes purchase decisions today. You use them in the channels for this process. The first thing a SME needs is to understand what Online Marketing is about and how it works. I'm also running into many businesses who think the use of social networks is digital marketing, and voila! So the first step is TRAINING, irrespective of whether you outsource to a specialized company or not. SMEs must know what this is all about.
