Managerial Communication Geraldine E. Hynes, Jennifer R. Veltsos, 2018-01-20 A Practical Strategic Approach to Managerial Communication Managerial Communication Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology. This is probably the best book on Managerial Communication in the market. Astrid Sheil, California State University San Bernardino [Encyclopedia of Networked and Virtual Organizations](#)

THE DEFINITIVE GUIDE TO MAXIMIZING LIMITED RESOURCES TO INNOVATE AND GROW Trying to accomplish too much with too few resources has become almost customary in business today. More often than not, though, all that we accomplish is delayed projects, mass confusion, and missed opportunities, not the achievement of business goals. The Resource Management and Capacity Planning Handbook helps you tackle the critical challenges of resource management and capacity planning head-on by providing a proven tool for making the leap from chaos to control: the Capacity Quadrant, a framework for addressing visibility, prioritization, optimization of existing resources, and integrated planning and governance. The Resource Management and Capacity Planning Handbook demystifies the complexities of resource capacity and demand management and offers clear ways for maximizing your limited resources to drive business growth and sustainability. This groundbreaking guide includes the latest benchmark data from a comprehensive study of resource management, case studies from organizations that have used the book's methods with great success, tools for overcoming common barriers and making decisions involving time, capture, resource assignments, and competing priorities, recommendations on ownership of the organization's resource management and capacity planning functions, considerations for addressing the human side of resource management and capacity planning. The Resource Management and Capacity Planning Handbook gives you the information, insight, and proven methods to take your company where it has never been before. PRAISE FOR THE RESOURCE
