Quick Work From Home Jobs Guide For Millennials:

Generational IQ for the Workplace and Home Collection Haydn Shaw, 2016-10-01 This collection bundles 2 of popular author Haydn Shaw's books together in one e-book for a great value. **Sticking Points** This is the first time in American history that we have had four different generations working side by side in the workplace: the Traditionalists born before 1945, the Baby Boomers born 1945-1964, Gen X born 1965-1980, and the Millennials born 1981-2001. Haydn Shaw, popular business speaker and generational expert, has identified 12 places where the 4 generations typically come apart in the workplace and in life as well. These sticking points revolve around differing attitudes toward managing one's own time, texting, social media, organizational structure, and of course, clothing preferences. If we don't learn to work together and stick together around these 12 sticking points, then we'll be wasting a lot of time fighting each other instead of enjoying a friendly and productive team. **Sticking Points** is a must-read book that will help you understand the generational differences you encounter while teaching how we can learn to speak one another's language and get better results together. **Generational IQ** Why is my daughter drifting from God? Why can't I explain my life choices to my parents? When will my son get a real job? Within the last several decades, the world has shifted dramatically. The cracks of this fundamental shift appear everywhere in our economy, in our cultural debates, in our political landscape, and most important, in our churches. The problem is we tend to overreact to these changes, fearing that Christianity is dying. We need better **Generational IQ** so we can respond to the changes but not be terrified by them. We need a wise generational coach. Haydn Shaw is that generational expert, showing us the roots of this generational shift and how it affects every one of us. Each generation, whether it's the aging Boomers or the young Millennials, approaches God with a different set of questions and needs based on the times in which they grew up. Haydn walks you through these generational differences and paints a vision of hope for the future. **Organizational Citizenship**

Behaviour (OCB) in India Sairaj M. Patki, Shobhana C. Abhyankar, 2024-03-26 This book presents an exploration of **Organizational Citizenship Behaviour (OCB)**, a concept with a long-standing history. It offers contemporary studies and discusses possible future directions for workplaces. The diverse range of topics this book covers makes it an engaging resource for anyone interested in OCB. The section on the pandemic covers citizenship acts performed by Indian organizations, OCB among teachers, and its significant work-related correlates in post-pandemic India. The second section covers contemporary correlates of OCB such as work-life balance, compliance, counter-productive workplace behaviours (CWBs), and employee expectations. The future workplaces section discusses challenges to OCB, the measurement of OCB in evolving work environments, the role of machine learning (ML) in recruitment, and the importance of diversity management in ensuring OCB in inclusive workplaces. The book makes a valuable source of relevant issues on OCB while providing a broader perspective on future possibilities. It serves as reference material for students and researchers in fields like organizational behaviour, human resource management, and development, and industrial psychology to study contemporary issues in OCB.

The book also serves as a handy guide for managers looking to harness the benefits of citizenship behaviours to give their organizations an edge over competitors in the near future

The Radical Sabbatical: The Millennial Handbook to the Quarter Life Crisis Emma Rosen, 2019-01-04 A book for everyone who is tired of that Sunday night dread Just over a year ago aged 24 Emma left her job with the Civil Service to spend a year experiencing 25 different careers before turning 25 Aiming to promote career fulfilment and advocate for more diverse career education Emma was overwhelmed by the response and the lessons she has learnt have been invaluable Interweaving New You and self help THE RADICAL SABBATICAL blends the extraordinary perspective gained from experiencing twenty five different careers in a year with practical advice for those who want to make a career change and for those who don't even know where to start Divided into three sections How To Learn What Makes You Happy How To Get 25 Jobs and How To Turn Indecision Into Opportunity THE RADICAL SABBATICAL addresses core issues and lessons learned from trying so many careers Offering practical advice in an engaging and accessible manner it will inspire readers of all ages to take control of their lives and give them the confidence to make the changes that are right for them
