improve one area in your dad journey what would it be What would it be like if you mastered not one but several aspects of your dad journey all at once What would life be like if you improved your level of patience had better and deeper connections with your wife and kids improved your relationships outside the immediate family and all while mastering a good work life balance How would life be different if you did this Hello I m Larry Hagner and I m a dad I love being a dad And I believe that being a dad is one of the most rewarding aspects of a man s life However being a father can humble you like nothing else can There really is no roadmap With so few resources out there for dads like us I decided to create The Dad Edge to help YOU as

a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood The Dad s Edge will help you Master work life balance Discover three techniques to improve and maintain a great connection with your kids Improve your connection intimacy with your spouse no matter how busy you are Improve your relationships outside the immediately family Uncover three easy ways to improve your patience short term and long term Discover simple ways to show up big for your kids and be present in the moment Thrive Not Survive your journey of fatherhoodIf you can identify with one or more of these issues I understand first hand Every one of us struggles with these issues on our dad journey and now I ve empowered you with some great strategies and a solid roadmap in The Dad s Edge so you can relax and feel confident you are good dad focused and nothing will stand in your way

**DADLY Dollar\$: How Marketing to Dads Will Increase Revenue and Strengthen Families** Hogan Hilling, Tom Konecny, Don Hudson, 2017-06-18 The idea of marketing to dads is as unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today s modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don t companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers continue to ignore the purchasing power of dads Why haven t companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today s families and role of parents continue to evolve Yet companies and advertisers continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser s marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities
