If you've searched for digital nomad family worldschooling or homeschool on the road and found only scattered tips, this book gives you a clear plan from launch to long term living. Who this book is for: Remote working parents of school age kids 5-17 who want day to day systems for learning, visas, budgeting, healthcare abroad, and community, whether you're testing a 3 month trip or going full time. What you'll learn: Worldschooling 101, definitions, benefits, and how to start with purpose and realistic expectations. Remote work setup, finding opportunities, time zone planning, and the essential tech stack that actually survives hotel Wi-Fi. Budgeting on the road, sample family budgets, cost of living comparisons, and proven ways to save without skimping on learning. Visas made clear: visa types, application steps, and how to read regulations for families. High level and non advisory Curricula consult qualified professionals where appropriate.
