The Creative Entrepreneur Lisa Sonora Beam,2011-02-09 The Creative Entrepreneur was voted Winner in two categories Craft and Business of the 2009 IBPA Independent Book Publishers Association Benjamin Franklin Award which recognizes excellence in publishing This book is

for the large audience of artists crafters and creative individuals from all walks of life who desire to make a livelihood from their creative work or who possibly have achieved some success but don't know how to replicate it or move to another level of accomplishment. These crafty DIY artists are everywhere: they are holding alternative craft fairs, they advertise in the pages of *Bust* and *ReadyMade* and *Craft*; they are selling online by the thousands at *Etsy.com* and are blogging at *Typepad*, *LiveJournal* and *Whipup.com*. But many of them do not have the skills needed to take their business ideas to the next level. The *Creative Entrepreneur* takes readers on an inner journey of creative exploration to discover how to make their dreams of creative livelihood real as they craft their own *Artist's Business Journal*. The *Artist's Business Journal* is a visual project oriented step by step approach to business development for artists from all walks of life who are mystified and possibly frustrated by how to make a business out of their creative work.

Small Business Sourcebook, 2010 [Creating Wealth with a Small Business](#) Ralph Blanchard, 2011-08-03 A must read book filled with practical information and numerous case studies on what aspiring entrepreneurs and business owners need to know to run a profitable business. The author reminds the reader not to confuse the excitement and enthusiasm of starting a business and being a business owner with the skills required to be successful and avoid becoming one of the 80% of businesses that will eventually fail. A major contribution of this book is its continuous emphasis on the importance of having a business model as a critical requirement to start and manage a profitable business. Edgar Ortiz, CEO of Strategic Analytic Solutions and business columnist for the *Atlanta Journal Constitution*. Ralph Blanchard, a successful entrepreneur with a background in economics, provides a detailed analysis of what it is really like to buy, start, operate and eventually sell a small business. Topics covered include why most businesses fail, ten management skills found in successful small business owners, strategies to transition from self employment to entrepreneurship, advantages that small business owners have over larger competitors, tips to develop profitable pricing strategies, innovative ideas to help develop a sound business model.
