Cheap Ugc Creator Tips Ideas For Busy Professionals:

Media Authorship Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative participatory non site specific or quite simply goes unrecognized In this volume media and film scholars explore the theoretical debates around authorship intention and identity within the rapidly transforming and globalized culture industry of new media Defining media broadly across a range of creative artifacts and production cultures from visual arts to videogames from textiles to television contributors consider authoring practices of artists designers do it yourselfers media professionals scholars and others Specifically they ask What constitutes media and authorship in a technologically converged globally conglomerated multiplatform environment for the production and distribution of content What can we learn from cinematic and literary models of authorship and critiques of those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair use and copyright bear on concepts of authorship in new media By addressing these issues Media Authorship demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment **Online**

Journalism Steve Hill, Paul Lashmar, 2013-12-10 An essential guide for anyone hungry to learn how journalism should be practised today and will be tomorrow Hill and Lashmar encapsulate the transformative impact technology is having on journalism but anchor those changes in the basic principles of reporting Paul Lewis The Guardian As the news business transforms Online Journalism is a fantastic new resource for both students and lecturers Informative straightforward and easily digested it s a one stop shop for the skills knowledge principles and mindset required for journalistic success in the digital age Mary Braid Kingston University Online and social media have become indispensable tools for journalists but you still have to know how to find and tell a great story To be a journalist today you must have not only the practical skills to work with new technologies but also the understanding of how and why journalism has changed Combining theory and practice Online Journalism The Essential Guide will take you through the classic skills of investigating writing and reporting as you master the new environments of mobile on demand social participatory and entrepreneurial journalism You will also develop must have skills in app development for smartphones and tablets as well as techniques in podcast blog and news website production What this book does for you Tips and advice from leading industry experts in their own words QR codes throughout the book to take you straight to multimedia links A fully up to date companion website loaded with teaching resources detailed careers advice and industry insights Exercises to help you hone your skills Top five guided reading list for each topic so you can take it further Perfect for students throughout a journalism course this is your essential guide ,
