Reshaping the Business World Post-COVID-19 Arvind K. Birdie, Ruchi Joshi, 2023-10-06 The COVID 19 pandemic dramatically changed our normal both in life and in business The timely volume provides a map of how the world has been significantly changed post COVID 19

pandemic not only in terms of work and business life but also linking other areas of personal life as well It explores the diverse impacts of the pandemic on businesses and workplaces addressing topics such as changes in organizational structures operations and marketing and consumer behavior Sharing their rich insights and perspectives on today s business world the authors also look at how personal psychological well being the role of spirituality employee satisfaction an organization s future competitiveness and quality of life have been affected and changed by the COVID 19 pandemic Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft teams Other topics include changed consumer choices and shopping psychology internet addiction mental health challenges new psychological aspects of the art and culture industry and more The authors also share effective strategies for creating work life balance and improving psychological well being and for navigating the new normal Reshaping the Business World Post COVID 19 Management Strategies for Sustainable Behavior Change will be valuable for both industry and academia as it covers concepts of business from various perspectives The book is sure to help managers of all types navigate the new normal

The Adaptive Leader Giles Lindsay, 2025-12-08 Agile isn t dying it s evolving Organizations stuck in outdated rituals are being left behind Those led by adaptable forward thinking leaders are the ones thriving In The Adaptive Leader Giles Lindsay redefines what agility means now He dismantles the myth that Agile is obsolete and shows how it s entering a powerful new chapter one that demands leadership not just process This groundbreaking book blends bold insights with practical tools including the CLEAR Model the Team Empowerment Checklist and the Business Agility Roadmap It bridges the gap between theory and action giving you everything you need to embed agility into your organization s core You ll learn how to Shift from doing Agile to truly being Agile Tackle resistance by changing leadership habits and culture Measure what matters real outcomes not ritual checklists Scale agility across every function from HR to finance to marketing Lead through disruption with confidence clarity and calm If you re ready to stop going through the motions and start building lasting adaptability this book is your guide Because Agile isn t dead But how you lead it will decide its future

Agency, Change and Learning Julian Randall, Bernard Burnes, 2023-12-05 Despite the plethora of books on change there appears a notable gap in the field rarely is the authentic and candid voice of change agents heard How often do academics or practitioners candidly state what they actually do when they are faced with managing change in their own organisations or when they are called on in a consultancy capacity In this new book the editors bring together a diverse group of contributors who have worked as Internal Change Agents in organizations to divulge what they really do and think about change The authors draw on their own research work involving change agents and their change interventions and include current reflections on the post Covid world of work and the change required for achieving change interventions successfully Each contribution offers perspectives from real change programmes in both the public and private sector offering a unique opportunity to move beyond theory and understand change in practice The book

offers valuable insights for academics and students of organisational change and behaviour leadership and organisational development

Informal Work and the Protection of Social Rights: The Gray Areas of Employment Öçal, Mehmet,Kutlu, Özge,2025-04-22 In today s changing job market informal work becomes prevalent creating a complex landscape where the lines between traditional employment and self employment blur From gig economy workers to freelancers and remote contractors many individuals now find themselves operating in what could be considered gray areas of employment While these workers enjoy flexibility and autonomy they also face challenges when it comes to social protections like healthcare pensions and labor rights The absence of clear frameworks to protect these workers social rights leaves them vulnerable to exploitation and insecurity raising questions about modern labor laws for better safeguards and well being As the world shifts toward more flexible work arrangements finding ways to bridge these gaps and ensuring fair protection for informal workers is urgent Informal Work and the Protection of Social Rights The Gray Areas of Employment explores the causes of informal work its impact on employers and employees legal and social dimensions and necessary regulations in this field It analyzes how various forms of work fall into gray areas and the broader societal effects of these practices This book covers topics such as policymaking social welfare and tax law and is a useful resource for policymakers government officials business owners sociologists academicians researchers and scientists

Transportation Amid Pandemics Junyi Zhang,Yoshitsugu Hayashi,2022-09-18 Transportation Amid Pandemics Practices and Policies is the first reference on pandemics especially COVID 19 in the context of transport logistics and supply chains This book investigates the relationships between pandemics and transport and evaluates impacts of COVID 19 and effects of policy responses to address them It explores how to recover from pandemics reveals governance for immediate policy responses and future innovations suggests strategies for post pandemic sustainable and resilient development shares lessons of COVID 19 policymaking across countries and discusses how to transform transport systems for a better future Transportation Amid Pandemics offers transport researchers and policymakers the scientific evidence they need to support their decisions and solutions against pandemics Curiosity and research brought me to discover an excellent handbook covering the relations between COVID 19 and the transport reality It is called Transportation amid Pandemics Lessons Learned from COVID 19 and has been published this year 2022 happens to be the year of the 50th anniversary of the first report to The Club of Rome The Limits to Growth The new book covers evidences from all over the world and offers policy recommendations from a great variety of perspectives Ernst Ulrich von Weizsaecker Represents the collective efforts of the World Conference on Transport Research Society WCTRS Uniquely deals with intertwined issues of pandemics and transport Investigates both successful and problematic policy measures Emphasizes bvidence based policymaking from cross sectoral and transdisciplinary perspectives Transfers lessons from the COVID 19 pandemic to future generations
