**The Creek Frontier, 1540-1783** David H. Corkran, 1967 *Colonial Wars of North America, 1512-1763 (Routledge Revivals)* Alan Gallay, 2015-06-11 First published in 1996 this encyclopedia is a comprehensive reference resource that pulls together a vast amount of material on a rich historical era presenting it in a balanced way that offers hard to find facts and detailed information The volume was the first encyclopedic account of the United States colonial military experience It features 650 essays by more than 130 historians archaeologists anthropologists geographers and other scholarly experts on a variety of topics that cover all of colonial America's diverse peoples In addition to wars battles and treaties analytical essays explore the diplomatic and military history of over 50 Native American groups as well as Dutch English French Spanish and Swiss colonies It's the first source to consult for the political activities of an Indian nation the details about the disposition of forces in a battle or the significance of a fort to its size location and strength In addition to its reference capabilities the book's detailed material has been and will continue to be highly useful to students as a supplementary text and as a handy source for reporters and papers [Publications of James Edward Oglethorpe](#) Eli Arnold, 2021-10-15 Publications of James Edward Oglethorpe contains various writings by the founder of the Georgia colony supplemented by introductions and notes to further the reader's understanding of the texts The collection of articles letters essays and reports gives a reader insight into the life and mind of the man who shaped the history of the state of Georgia with an agenda of social reformation This book satisfies a reader's curiosity both regarding Oglethorpe himself as well as life in the colony through its inclusion of colony reports alongside letters in which Oglethorpe expands on his ideas about British America The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities **The Wesleys and the Anglican Mission to Georgia, 1735-1738** John Thomas Scott, 2020-10-23 The Wesleys and the Anglican Mission to Georgia 1735 1738 considers the fascinating early history of a small group of men commissioned by trustees in England to spread Protestantism both to new settlers and indigenous people living in Georgia Four minister missionaries arrived in 1736 but after only two years these men detached themselves from the colonial enterprise and the Mission effectively ended in 1738 Tracing the rise and fall of this endeavor Scott's study focuses on key figures in the history of the Mission including the layman Charles Delamotte and the ministers John and Charles Wesley Benjamin Ingham and George Whitefield In Scott's innovative historical approach neglected archival sources generate a detailed narrative account that reveals how these men's personal experiences and personal networks had a significant impact on the inner workings and trajectory of the Mission The original group of missionaries who traveled to Georgia was composed of men already bound together by family relations friendships and shared lines of mentorship Once in the colony the missionaries' prospects altered as they developed close ties with other missionaries including a group of

Moravians and other settlers John Wesley returned to England after his romantic relationship with Sophy Hopkey soured Structures of imperialism class and race underlying colonial ideology informed the Anglican Mission in the era of trustee Georgia The Wesleys and the Anglican Mission to Georgia enriches this historical picture by illuminating how a different set of intricacies rooted in personal dynamics was also integral to the events of this period In Scott s study the history of the expansive eighteenth century Atlantic world emerges as a riveting account of life unfolding on a local and individual level
