Creepy Crawlies Voyages:

An Eastern Voyage Friedrich Maximilian Graf von Hochberg, 1910 Voyage beyond Time Almuth Keck, 2024-12-20 All her life Almuth dreamed of sailing around the world Until she retired however she had never set foot on a sailing boat When she met Edi a passionate sailor she jumped in at the deep end and followed him onto his boat And so it was that a landlubber with no sailing experience embarked on a journey across the world's oceans with a grumpy skipper she didn't know a journey that changed her life and opened up completely new worlds for her Almuth's lively travel stories supplemented by her original drawings and historical facts provide a variety of insights into the lives of two nautical globetrotters from the everyday challenges on board to unforgettable encounters in foreign cultures and adventures in fascinating natural surroundings

The Last Voyage of the Lucette Douglas Robertson, 2005 Daddy's a sailor why don't we sail around the world On board their 43 foot schooner Lucette the Robertson family set sail from the south of England in January 1971 and in June 1972 Lucette was holed by killer whales and sank in the Pacific Ocean Four adults and two children survived the next 38 days adrift first in a rubber life raft and then crammed into a 9 foot fibreglass dinghy before being rescued by a passing Japanese fishing vessel This is the story of how they survived but it also tells of the 18 month voyage of the Lucette across the Atlantic around the Caribbean through the Panama Canal and out into the Pacific It is a vivid and candid account of the delights and hardships the excitements and the dangers the emotional highs and lows experienced by the family both before and after the shipwreck Douglas Robertson has taken his father's classic book *Survive the Savage Sea* as his starting point and has drawn upon a wealth of other sources not least his own memories of a life changing experience to bring us this true story of adventure of relationships strained to bursting point of conflict and resolution ultimately a very human and humbling tale

Creature of the Voyage Zihab Ar Rysha, 2023-03-20 A young child intrigued by the ideas of an unknown beast roaming the lands and swimming the oceans of Earth takes the responsibility of giving life to such creatures in her own hands Now time has reversed back to the era of straw beds stone tables and traditional weapons All because of one of these creatures burning the world of skyscrapers and technology down leaving the forests and rivers unscathed Only several humans had survived the annihilation desperately trying to live on Only this time they had neighbors in the mountains Winged clawed hooved neighbors Harmony existed yet at times it felt like a ghost haunting the Kali village For centuries conflicts among them and their neighbors had been well avoided with each colony going about their lives as normally as they could Hunting each other down however was both tradition and survival But what happens when an errand turns to a brawl One that would shake the world awake Letting their creator know that they still rule the food chain Or what awaits those who happen to share the same blood as them but are human Heroism or death
