Crime Fiction 1749 1980 A Comprehensive Bibliography Garland Reference Library Of The Humanities: *Crime Fiction, 1749-1980* Allen J. Hubin,1984 **The Bibliography of Contemporary American Fiction, 1945-1988** William McPheron,Jocelyn Sheppard,1989 This volume records and describes bibliographical accounts of contemporary American fiction writers with emphasis on single author studies It s purposes are several to trace the historical development of the bibliography of indivdual writers to indicate the depth of bibliographical treatment of those writers currently available to scholars and librarians and finally to highlight the need for additional bibliographic research in the field **American Popular Culture** Frank W. Hoffmann,1995 Organized by types of information sources the book selectively covers guides to the literature of popular culture including general and subject encyclopedias subject dictionaries handbooks and manuals biographical compilations directories indexes and abstracts bibliographies discographies and videographies and supplemental sources e g periodicals research centers associations Each section is arranged by subject general popular arts e g music fine arts mass media e g radio computers folkways oral tradition and fads events trends and other social phenomena Selective rather than comprehensive the book offers entries with descriptive and sometimes evaluative annotations Essential as a research tool in academic and public libraries this guide will also be useful in collection development Literary Research Guide James L. Harner,2008 James L Harner s Literary Research Guide which Choice calls the standard guide in the field evaluates important reference materials in English studies Since the publication of the first edition in 1989 tens of thousands of students and educators have used the Guide as an aid to scholarly research In the new edition Harner has added entries describing resources published since May 2001 and has revised nearly half the entries from the fourth edition The fifth edition contains more than 1 000 entries which discuss an additional 1 555 books articles and electronic resources and cite 723 reviews Readers of earlier editions will notice the inclusion of substantially more electronic resources particularly reliable sites sponsored by academic institutions and learned societies to account for the proliferation of bibliographic databases text archives and other online resources This edition also features a new section on cultural studies Reference Sources, 1982 Terry Silver,1984-12 **The Eighteenth Century** ,1970 **The British National Bibliography** Arthur James Wells,1994 The Papers of the Bibliographical Society of America Bibliographical Society of America,1984 **Guide to Reference Books** Robert Balay,Vee Friesner Carrington,Murray S. Martin,1996 Presents an annotated bibliography of general and subject reference books covering the humanities social and behavioral sciences history science technology and medicine *Architecture Series: Bibliography* ,1985 **The Humanities** Ron Blazek,Elizabeth Smith Aversa,1988 Updated and expanded to embrace new developments in the electronic environment and new emphases on multicultural and female influences and accomplishments the fourth edition 3rd ed 1988 of this guide to humanities information sources includes 1 250 major entries Chapters cover general humanities philosophy religion visual arts performing arts and language and literature Organized as previous editions the volume provides one chapter on sources

and another on access for each area The sources chapters have in depth descriptions of both print and electronic tools the access chapters relate to finding and retrieving information Annotation copyright by Book News Inc Portland OR
