The Alabama Criminal Justice Information System Alabama Criminal Justice Information Center, 1977 **Criminal Justice, Alabama Original Materials** James A. Inciardi, 1999-05-01 James A. Inciardi, an internationally recognized scholar and author brings his significant field and research experience to this edition of Criminal Justice. This volume is written specifically to correspond to Alabama's criminal code and presents a solid overview of the structure, processes, and problems specific to the state. Inciardi's research background, his privileged access to national data, and his narrative writing style guarantee a unique perspective. New to this edition is a Critical Thinking feature and additional types of Perspective boxes. The coverage of all major areas of criminal justice allows instructors to focus either on the system as a whole or on areas of particular interest.

Criminal Justice Professor of Criminal Justice and Director of the Center for Drug and Alcohol Studies James A. Inciardi, 2002-02-07 **Alabama's Criminal Justice System** Vicki Lindsay, Jeffrey Paul Rush, 2016

Alabama's Criminal Justice System is a compilation of original chapters by experts in the Alabama justice system. It presents a brief history of the state's criminal justice organization and procedures as well as its law enforcement and correctional bodies. The authors discuss many federal and Supreme Court cases originating from conditions in Alabama that impinged upon the rights of its citizens and led to a standard practice of repression in the procedures of law enforcement courts and corrections. In addition to these topics, special attention is given to the juvenile justice system and victims' rights. PowerPoint slides are available to professors upon adoption of this book.
