Criminal Justice In Post Mao China Analysis And Documents:

Criminal Justice in Post-Mao China Shao-chuan Len, Hungdah Chiu, 1985-06-30 The post Mao commitment to modernization coupled with a general revulsion against the lawlessness of the Cultural Revolution has led to a significant law reform movement in the People's Republic of China. China's current leadership seeks to restore order and morale to attract domestic support and external assistance for its modernization program and to provide a secure orderly environment for economic development. It has taken a number of steps to strengthen its laws and judicial system among which are the PRC's first substantive and procedural criminal codes. This is the first book length study of the most important area of Chinese law: the development, organization and functioning of the criminal justice system in China today. It examines both the formal aspects of the criminal justice system such as the court, the procuracy, lawyers and criminal procedure and the extrajudicial organs and sanctions that play important roles in the Chinese system. Based on published Chinese materials and personal interviews, the book is essential reading for persons interested in human rights and laws in China as well as for those concerned with China's political system and economic development. The inclusion of selected documents and an extensive bibliography further enhance the value of the book.

Studies in Earlier Old English Prose Paul E. Szarmach, 1985-10-01 Old English prose before the late tenth century is examined in this collection of hitherto unpublished essays. Using a variety of techniques, the authors explore well known and lesser known texts in search of a better understanding of why, how and by whom the manuscripts were produced. Part I of the collection contains six studies of Alfredian prose: the Soliloquies, the Pastoral Care and Consolation of Philosophy, all of which are translations traditionally associated with King Alfred.

In addition, this resource offers a detailed chronology of events in the region, a glossary of terms, biographical entries on key personalities, an annotated bibliography of further reading and a comprehensive analytical index.

adversarial justice and popular justice Social Control in the People's Republic of China Ronald J. Troyer, John P. Clark, Dean G. Rojek, 1989-09-07 Where other books have discussed selected social practices in China this volume is unique in its coverage of the entire social control apparatus of that country The contributors to this comprehensive study describe the design and operation of the Chinese social control system Drawing on data gathered in China the book introduces readers to China's unusual blend of formal and informal devices at the individual and neighborhood level up through the formal criminal justice system This social control approach stresses citizen involvement and emphasizes prevention rather than reaction The various chapters describe how the criminal justice system operates when these devices fail The book's primary conclusion is that the low rates of deviance in China are a consequence of extensive social control efforts at the grassroots level These grassroots devices are carefully controlled by the government At the same time however China is rapidly changing There is an extensive development of a formal criminal justice system and rapid economic development The contributors predict that China's crime rate will rise as these trends continue Professional criminologists as well as students and scholars of criminology delinquency and comparative criminal justice systems will find this book a valuable resource China's Legal Awakening Carlos Wing-hung Lo, Yonghong Lu, 1995 This book illustrates through the analysis of more than two hundred criminal cases selected from Minzhu yu fazhi Democracy and the Legal System in the period 1979-89 that the establishment of a formal criminal justice system and the development of an embryonic socialist theory of law in China reflect a genuine and widespread legal awakening Journal of Chinese Law ,1991 *Symposium, Free Trade and the Environment in Latin America* ,1992 *Loyola of Los Angeles international and comparative law journal* ,1992 **Law and Legality in China** Laszlo Ladany, 1992 Fr Laszlo Ladany SJ published only one book in his lifetime The Communist Party of China and Marxism 1921-1985 but became widely known as the doyen of China watchers through his editorship of China News Analysis in Hong Kong On his death in 1990 he left this survey demonstrating his knowledge of the Chinese people and of Chinese and comparative legal history one of his own earlier special subjects of study **Maryland journal of international law and trade** ,1987 Ohio State Journal on Dispute Resolution ,1991 **American Journal of Chinese Studies** ,2003
