Criminal Procedure and the Supreme Court Rolando V. del Carmen,Craig Hemmens,2010-09-15 In any episode of the popular television show Law and Order questions of police procedure in collecting evidence often arise Was a search legal Was the evidence obtained lawfully Did the police follow the rules in pursuing their case While the show depicts fictional cases and scenarios police procedure with regard to search and seizure is a real and significant issue in the criminal justice system today The subject of many Supreme Court decisions they seriously impact the way police pursue their investigations

the way prosecutors proceed with their cases and the way defense attorneys defend their clients This book answers these questions and explains these decisions in accessible and easy to follow language Each chapter explores a separate case or series of cases involving the application of the Fourth Amendment to current police investigatory practices or prosecutorial conduct of the criminal trial The police related cases involve topics such as searches of suspects both prior and incident to arrest pretext stops the knock and announce rule interrogation procedures and the parameters of an individual's reasonable expectation of privacy The prosecutor related cases involve topics such as jury selection the right to counsel and sentencing This important overview serves as an introduction to the realities and practicalities of police investigation and the functioning of the criminal justice system when search and seizure becomes an issue The Structure of Criminal Procedure Barton L. Ingraham, 1987-05-21 A model is developed for analyzing criminal procedure across nations and cultures and applied to the U S France the U S S R and China The model envisions common functions of arrest and detention screening charging and defending trial sanctioning and appeal The comparison reveals significant differences between inquisitorial and adversarial systems including the extent of court authority to control other criminal justice agencies the defendant's role in the proceedings and the court's role in the proceedings Differences between noncommunist and communist inquisitorial systems involve personnel who perform each function degrees of public participation and the educative rehabilitative function of the criminal justice process Criminal Justice Abstracts The Structure of Criminal Procedure presents for the first time ever a detailed comparison of the criminal procedures of four major nations France the United States China and the Soviet Union In addition the author also develops his theory on the Morphology of Criminal Procedure which hypothesizes that there is a common structure in every modern procedural system no matter how different it may appear on the surface He stresses six basic functions inherent in all systems arrest and trial detention screening charging and defending trial sanctioning and appeal and he successively analyzes each of them in depth Practical ways to apply his model are provided along with encouragement for others to engage in new comparative studies or studies of individual systems in order to clarify the ways in which the practical demands of society the legal profession and legal institutions interact with the functional needs of the system to produce new ways of procedure or new ways of using old procedures Studyguide for Criminal Procedure Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Virtually all testable terms concepts persons places and events are included Cram101 Textbook Outlines gives all of the outlines highlights notes for your textbook with optional online practice tests Only Cram101 Outlines are Textbook Specific Cram101 is NOT the Textbook Accompany 9780521673761 **Cases and Materials on Torts** Richard A Epstein, Catherine M Sharkey, 2020-02-20 Cases and Materials on Torts preserves historical and conceptual continuity between the present and the past while addressing the most significant contemporary controversies in such fast moving areas like public nuisance global warming and product liability with new litigation against internet providers Toward these dual ends Richard A Epstein and Catherine M Sharkey
