Criminology A Readers Guide:

Criminology University of Toronto. Centre of Criminology, 1991 *Criminology* Richard Victor Ericson, Jane Gladstone, Clifford D. Shearing, 1991 **Reader's Guide to Periodical Literature Supplement**, 1914 These vols contain the same material as the early vols of Social sciences humanities index *Criminology and Criminal Justice* Peter Joyce, 2014-04-04 This book presents a summary of the key ideas that seek to explain criminal behaviour and the measures that have been developed to prevent crime A broad overview of the criminal justice system is provided in order to explain the operations of the key criminal justice agencies and the processes that are involved in bringing offenders to justice Readers are encouraged to develop the basic knowledge they have obtained in these areas by tackling a number of questions making use of additional reading of key texts suggested in the book Attention is devoted to key sources from which information regarding crime and the criminal justice system can be explained Good practice regarding the presentation and assessment of written work is also provided in particular in connection with referencing Readers are also introduced to the wide variety of methods that can be used to carry out criminological research and are invited to engage in exercises that include the marking of sample essays and the design of a questionnaire *A Reader's Guide to Contemporary Literature* William Swan Sonnenschein, 1895 **The Best Books: a Readers Guide to the Choice of the Best Available Books (about 50.000)...** William Swan Sonnenschein, 1895 **Encyclopedia of Criminological Theory** Francis T. Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Tocock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative
